

15th Academic Council

AGENDA
for
FIFTEENTH MEETING
Of the
ACADEMIC COUNCIL

to be held on

30 MARCH 2004

(1400 Hours)

at

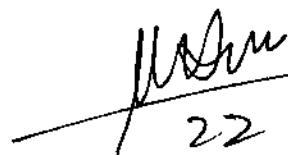

SHAHEED UDHAM SINGH COLLEGE OF ENGINEERING & TECHNOLOGY
TANGORI (MOHALI)

**PUNJAB TECHNICAL UNIVERSITY
JALANDHAR**

AGENDA POINTS FOR 15TH MEETING OF THE ACADEMIC COUNCIL TO BE HELD ON 30 MARCH 2004 AT 1400 HOURS AT SHAHEED UDHAM SINGH COLLEGE OF ENGINEERING & TECHNOLOGY, TANGORI (MOHALI)

- ✓ Item No. 15.1 To confirm the minutes of 14th meeting of the Academic Council.
- Item No. 15.2 Presentation on Action taken.
- ✓ Item No. 15.3 Briefing on Sports activities and cultural activities by Dr. D.S Hira.
- Item No. 15.4 To review December 2003 examinations.
- Item No. 15.5 To review results of examinations December 2003-
- Item No. 15.6 To formulate regulations for conduct of end semester examination & to conduct examinations May, 2004-
- Item No. 15.7 To brief CET, MET, LEET & PET plans.
- Item No. 15.8 To consider committee report on "Eligibility / Admission"
- Item No. 15.9 To evaluate presentation of committees for review of regulations.
- Item No. 15.10 To review Boards of Study recommendations (Presentation of syllabus)
- Item No. 15.11 To review pending cases of
(a) Reimbursement & transfer
(b) Affiliation fee
- Item No. 15.12 To consider introduction of new courses.
- Item No. 15.13 To consider proposal for
(a) affiliation of colleges outside Punjab.
(b) opening of Study Centres abroad.
- Item No. 15.14 Change of nomenclature from Electronics & Instrumentation Engg. (as approved in the 10th AC) to Instrumentation Engineering for Unnati Prayas Scheme of ONGC and approval of syllabus of the same.
- Item No. 15.15 Any other point with the permission of the chairman.

Minutes of the 14th meeting of the Academic Council held on 03 January 2004 at CT Institute of Management & Information Technology, Jalandhar

The 14th meeting of the academic council was held on 03 Jan 04 in the meeting hall of CT Institute of Management & Technology, Jalandhar with Y.S. Rajan, the Vice-Chancellor PTU in the chair.

The following attended the meeting

List as at appendix - A

The chairman welcomed the members and conveyed good wishes for the New Year. He wished that the year 2004 sees PTU grow into a 100% professional institution with international repute. This, he said could be possible only with concerted effort of each member of the PTU team. Every one associated with PTU (staff, Principals, students their parents, employees) is a member of the team. He said that in year 2003 we had endeavored confidence building and had achieved our aim to a large extent. The thrust in the effort must be maintained, as there are many more targets to be achieved. We have to get out from adhocism and develop systems and processes. He said that he had full confidence in the team and its capability.

Following decisions were taken :

Item No.	Item	Decision	Action by
14.1	To confirm the minutes of the 13 th meeting of the Academic Council.	Minutes of the 13 th Academic Council were confirmed with the following changes : "Under item No. 13.6 may read Dr. K.P. Janardhanan in place of Dr. O.P. Sahni."	Dean (Colleges)
14.2	Online Education Programme - current status.	The council took the decision that CET - 2004 and MET - 2004 would be conducted on the same day. The Council fixed 25 April, 2004 as the examination date. LEET and PET - 2004 would be conducted together and fixed the date of 09 May 2004 for this examination. Members of the Academic Council were briefed on the background and current status of Online Education. The members appreciated the efforts of the University to streamline online education and took a decision to continue with Online education for the current session of admissions i.e. 2002. It was also noted that such a streamlining was only for the batch of online students admitted earlier in the year 2002. These decisions were in the interest of the admitted students & according to academic rules. But it will not be precedent for the future decisions nor will be prejudice for future action. Further conduct of online education by PTU would be considered after convening a large committee with Principals and few experts outside PTU system. At the request of the VC, a number of Principals offered to be member to the committee. The VC was authorized to form the committee for Online education in the new phase. The criteria for admissions to M. Tech. (IT) for 2002 batch as included in the agenda points and recommended by the committee convened on the issue was approved in that students with the following qualifications are eligible :	Registrar Dean (Academics)

	For M. Tech. (IT) Applicant must have a B. Tech. / B.E. / AMIE (or equiv.) / MCA / M.Sc. with minimum of 55% marks in aggregate.	
Proposer of courses Dean Academic to for committees	The members deliberated on inclusion of courses given in the agenda points. It was suggested that M. Pharma (Pharmacology) may also be included. The course in B. Sc. (Pharma Lab.) was dropped from the list. The academic council authorized that the Standing Committee on Pharma may consider the issue and make recommendations. (The decision of the committee on the matter of courses will be considered as final). Chairman informed the council that as far as syllabi, method of delivery etc. was concerned, the Institute which is proposing the new course should submit proposed syllabi, method of delivery, admission criteria etc. to the University which will, in turn, be referred to the relevant Board of study to adopt a particular study scheme and the subject content. Some of these courses may also be adopted under DEP by PTU. It was decided that only after due process with AICTE, actual admission process could be initiated by regular College. Other colleges interested in these or other courses also may initiate action. Some more courses were proposed on the floor. It was decided these items may first be examined by the relevant Standing Committees and its recommendation will be considered later by the Academic Council.	Registrar Dean (Academics) The committee
14.3	Inclusion of courses in the approved courses. 1. M. Tech. (Computer Science) 2. M. Tech. (IT) 3. M. Pharma (Pharmaceutics) 4. M. Pharma (Pharmaceutical Chemistry) 5. M. Pharma (Pharmacognosy) 6. M. Sc. (Bio-informatics) 7. B. Sc. (Bio-informatics) 8. B. Sc. (Bio-technology) 9. B. Sc. (Veterinary Lab Tech.) 10. B. Sc. (Pharma Lab.) 11. B. Tech. (Automobile Engg.) 12. B. Tech. (Medical Electronics) 13. B. Tech. (Electrical & Electronics)	The following committee was formed to evaluate eligibility criteria for admission to various courses proposed to be introduced : 1. Dr. D.S. Hira 2. Dr. Sanjay Modi 3. Dr. Gurdip Singh 4. Dr. D.R. Singh 5. Dr. T.S. Kamal 6. Prof. Vipin K Dewan 7. Dr. M.S. Seekree 8. Dr. R.L. Gupta 9. Dr. J.S. Sohal 10. Dr. M.L. Ghambir 11. Dr (Mrs.) Shalini Gupta 12. Dr. (Mrs.) Madhu Chitkara
14.4	Eligibility Criteria for admission to the above courses.	

14.5	M. Tech. (VLSI) at C-DAC.	The Registrar informed that M. Tech. (VLSI) at C-DAC had been approved by the AICTE and affiliation was under process. Boards of Study had been constituted and the course contents were evaluated. Admission to this course would be made in the 1st week of July 2004 and the course would be commencing in the 1st week of August. This course and the one run at GNDEC, Ludhiana as UDP (conducted in PTU Regional Centres) should have identical syllabus. He also informed that AICTE approved for M. Tech. (Computer Science) at Guru Nanak Dev Engineering College, Ludhiana had been received and the course would commence in August 2004.	Principal GNE and Senior Advisor PTU for Regional Centre
14.6	Eligibility criteria for admission to M. Tech. (IT) online.	As under item No. 14.2 for the present and future course of action.	
14.7	Issue of NOCs.	The Council members were informed about issue of NOC for increase in intake and addition of new courses. Dr. Gurdip Singh informed that name of MIMIT, Malout was missing from the list of NOCs. The Chairman requested others who have such additions to be made may please do so urgently as PTU will soon freeze the list for informing all concerned.	Principal Colleges & Registrar
14.8	Starting of M. Tech. (IT) in Institutes of Management.	It was unanimously agreed that M. Tech. (IT) could be started in Institutes of Management as per the norms of AICTE and with its approval.	Principals Registrar Senior Advisor, PTU
14.9	Status of Regional Centres and UDP.	The Registrar informed the Academic Council that 9 regional centres and 2 UDP programmes are imparting education in engineering and management respectively. 1 st semester examinations of all the streams had been successfully completed. Dr. Hira explained experience so far and stressed the need to be strict with attendance. Senior Advisor PTU again requested coordinators of the Regional Centres to give schedules of external faculty & projects etc. as requested before. He said two centres have already asked for external faculty and it had been arranged. The chairman suggested that such external faculty is rare to get and all other centres must also take benefit from such efforts.	Coordinators of RC and Senior Advisor
14.10	Examinations December 2003.	Controller of examinations informed that almost all the examinations, regular and reappear, have been completed and only 8th semester examinations are left which would be started from 5th January 2004. COE also pointed out that inspite of the clear cut instructions on carrying of mobile phones in the examination hall, a few Principals had allowed mobile phones which was against the spirit of the PTU directives. Principals may please ensure implementation of the directives of PTU and conduct examinations according to directives issued from time to time. The chairman stressed upon Principals the need for conducting University examinations in a fair and clean way. He said that a few reports received from inspecting officers were disturbing though these were small in number. In the interest of the quality education system we should aim at zero defect system.	COE All affiliated colleges & Regional Centres

14.11	Boards of Study proceedings, specially for 4 th semester.	Officiating Dean (Colleges) Informed that the meeting of the Chairmen of Boards of Study for regular course was held on 5th December 2003 at PTU, Jalandhar. The decisions of the meeting were circulated alongwith the agenda. A copy was handed over in the meeting and read out to the members. The council was also informed that the syllabus in respect of 4th semester had been updated and was available on PTU Site www.ptujal.org. A CD containing such data as related to 4th semester was handed over to each member of the Council. Principals may please use these for necessary action.	Dean (Academics) Principals
14.12	Academic audit – percentage of attendance in scheduled lectures of 60 minutes each and not based on lectures held.	Registrar informed the members that data of students attendance asked from the colleges was not complete in respect of some institutes. Analysis of the data showed that attendance eligibility criteria used was based on the number of lectures held and a few colleges had not forwarded the required information. As per the regulations attendance in each subject must be minimum 75% of the lectures scheduled. Further these lectures are supposed to be of 60 minutes duration. Hence students who do not attain the prescribed attendance level in terms of 75% of the scheduled lectures are required to be detained. He further informed the council of its own decision wherein minimum number of lectures conducted in a subject is 10 N (where N is number of lecture hours scheduled per week) (the same applies to tutorials and practical labs. also). The Chairman reiterated importance of regulations being formulated and their implementation. It was decided to constitute committees of principals in each stream to consolidate all the existing academic regulations and procedures with reference of source and applicable data etc. The committees would also suggest changes to be considered for the future. The Vice Chancellor was authorized to form the committee.	Registrar to Form Committee of Principals
14.13	Minutes of Examination Committee meeting held on 30.12.2003.	The Controller of Examinations read out minutes of the Examination Committee held on 13th December. Proceedings of the committee were circulated along with the agenda points. It was agreed that there should be only one examination in a particular subject as long as the syllabus in the subject does not vary more than 20%. Question papers in case of variation below 20% could be as follows : (a) In compulsory question instead of 10, 12 questions to be set and students asked to attempt 10 questions. Two of such questions must be from the old syllabus content. (b) No. of questions in section B & C can be increased to 5 each, instead of 4 at present, and students be asked to attempt 5 questions at least 2 from each section It was decided that all future reappear exams, where the study scheme had not changed and variation of syllabus was less than, 20% only one examination would be conducted. On the Issue of re-evaluation, the Council accepted the following: As per the present rules, if the difference between the original award of the re-evaluation result is more than 15% then 2nd re-evaluator is appointed. It has been recommended that if the difference between the original award and award of re-evaluation is more than 25%, then only should 2nd re-evaluator be appointed. Further, the mean of the nearest two awards should be taken instead of the highest two."	Registrar Dean (Academics)
		COE & All Principals to note and for necessary action	COE

14.14	Migration of Mr. Abhishekh Sharma.	The chairman mentioned that a peculiar situation had arisen with one student has been diagnosed under mental strain and was Psychiatric patient and was advised around the clock monitoring by his parents. The University had referred the case for second diagnosis and was diagnosed the same. The student wanted change of seat from Chitkara Institute of Engg. & Tech., Jansala to Guru Gobind Singh Institute of Engg. & Tech., Talwandi Saboo. The Migration Committee recommended the case. The peculiarities of the case are that the parents of the students are in Mansa, which is about 60, Km from new place and the medical opinion calls for 24 hours attention. Since this was isolated case of peculiar nature, it was approved by the Academic Council without it setting any precedence for any other case or without prejudice to any future decision. It was noted that presently migration cases forwarded by the Principals do not indicate "No Objection" explicitly. There is no reference to nor do they bear merit. It was decided that all future cases of migration, student would be required to fill a migration form to be made available by the University to all the colleges. This form would be designed by PTU and would contain certain certificates of conditions, which have to be fulfilled as per the existing migration rules. The form would be authenticated by the Principal of the college in which the student is currently pursuing studies. It would then be signed by the Principal of the relieving institution and the institution where the student is seeking migration. It is the responsibility of the Principals to authenticate all the entries. This would then be put up to the migration committee constituted by the VC and only with their clearance be considered by the V.C. It was decided that the same Committee formed under item No. 14.12 might consider these cases. They may also consider the rules related to Pharma. Hotel Mgt. Etc. The council took note of admission through court.	All Principals for compliance and Registrar PTU for issue of instructions. Registrar & Dean (Academic) For design of form Registrar to energize the system & inform
14.15	Review of regulations for BBA / BCA / MBA /MCA.		
14.16	Special admission in court case in LEET - 2003.		
14.17	Mail server at PTU for affiliated colleges.	Registrar informed the council about setting up of mail services at PTU campus wherein all the principals of all affiliated colleges would have an e-account. This would accelerate the communication and at the same time maintain the confidentiality of information. Member colleges can be contacted through a group-mail account. Mail to the University can either be sent on this mail server or at its own web site through mailbox created for all important sections and officers. There was an endeavor to register students through electronics registration. Details of this would be dispatched to all the Principals, Students registering for the current even semester must register with PTU also. Academic Council welcomed it and a few Principals are ready to start actions. The Registrar pointed out that it though hyper links to URL of affiliated colleges were provided, many of them were non functional. This was primarily because either had the college changed their URL or	

		there was wrong data entry in the URL name. The chairman directed the principals to verify access to their college website through PTU site. Each member is requested to sort out issues and conform connectivity via www.ptujal.org by 30 January 2004.	
14.18	Affiliation fees payment.	The chairman stressed upon the principals to clear their affiliation fee, which was due to the University. He recalled earlier Academic council decision asking members to ensure that all affiliation fee due to the University was cleared. He appealed to colleges to pay up affiliation (past dues & present) to avoid any embarrassments On the issue of exemption of evaluation fee to Govt. Colleges the chairman mentioned that since the University was not given any grant from the Government, the question of non-payment of evaluation fee by the Govt. colleges did not arise. He further decided that all these colleges were autonomous bodies and were charging the same fee as the other affiliated colleges. In addition PTU is giving same service to Govt. colleges as the other affiliated colleges. Hence they should be in a position to pay affiliation fee. He said that he would take it up also with the Punjab Government.	All Principals
14.19	Minutes of Board of Studies of MBA (IB)	First semester examination for MBA (IB) had already been conducted in December, 2003 and syllabi for the 2 nd semester had been formulated. Since this course was run as one time under UDP, further courses under this scheme may not be undertaken. However, colleges (these + other interested) can take this course through AICTE. In the present context, all the fees deposited by the students was to be transferred to the University and THE coordinators of the programmes of its two centres could raise contingency bills and claim reimbursement.	UDP Incharge, Dean Academics Registrar for fees. Others as per their interest
14.20	Implementation of recommendations of the Saxena Committee.	Recommendations of the Saxena committee were circulated with the agenda points of the meeting. The main recommendations were brought to the Council. The academic Council, after a brief discussion, decided that the Committee constituted as per 14.12 to study the recommendations of the Saxena Committee especially in the context of their recommendations for changes referred in 14.12 and academic regulations.	
14.21	2 to 6 Rule applicability.	As per the decision of the Academic Council which was reconfirmed in its 12 th meeting at Moga on 1 st October, 2003, only those students who had fully cleared 2 nd semester were allowed to register for the 6 th semester. Hence the students who have attended 5 th semester and have cleared 2 nd semester before the date of registration only are eligible to attend 6 th semester. Any student who has taken 2 nd semester reappear during December 2003 would become eligible only when a declared pass result was available in respect of such student. The VC asked COE to accelerate the process for declaring results at an early date. The Registrar pointed out that in a number of court cases students were permitted to continue their studies only because the institutes had permitted the students, otherwise, should be permitted to register, under any condition, for any semester whatsoever the University would take stern action against any institute conducting illegal registration.	

14.22	Admission 2003	The Registrar, PTU brought out that a letter had been received from the Principal, GZS CET, Bathinda stating that five students were admitted by the college that were after 01 OCT 2003. The matter was placed before the council. The members deliberated and recalled the earlier decision of Academic Council that this had been time and again discussed in the Council that admission had been closed on 15.09.2003 and the final lists were to be submitted by all colleges by 03 October 2003 and that no relaxation was acceptable in the last date that itself was an allowance of a 19 days after 15.09.2003 which was taken under pragmatic consideration at that time as a few colleges had not applied a cut off to admissions. It was emphasized by the Academic Council that in future colleges have to treat the last date as sacrosanct. Since these cases are admissions after Oct 3, 2003 (the last date of admission of list), these cases were not acceptable to the Academic Council.
14.23		Chairman informed the members of the council that the University was receiving as many as four copies of the same letter addressed to various officers. The University is taking immediate action on each letter received and such multiple copies only create confusion. He requested Principals & other to be more helpful. Further he stressed the need of maintaining proper communication protocol in writing as some officials of colleges write to the higher authorities on matters which come under day-to-day working of University. It causes unnecessary confusion. This may please be avoided in future.

There being no other point the meeting came to the end with a vote of thank to the chair.

AGENDA POINT

TO CONDUCT EXAMINATIONS MAY, 2004

(a) Carrying of mobiles to the examination Hall students – staff.

No mobiles, even when off, are permitted to be carried into the examination hall / examination centre / the area around including toilets in use. Only Supdt. Exams / Controller of Exams may carry a mobile. However, mobile permitted to be carried to the centre, as above, shall not be used within the exam hall.

(b) Procurement of Metal Detectors.

It is proposed that each examination centre procedure at least three Metal Detectors. One to be used by Flying Squad and for daily checking. Procurement may be central at the University level so that the price is minimum.

Metal detectors are to be retained and maintained by the examination centres.

(c) Clubbing of examination centres to facilitate proper conduct of examination may be necessary and Controller of Examinations, PTU is empowered to do so.

(d) Appointment of Superintendent and Flying Squad members from amongst senior staff members. Once appointed must be spared. Duty related to exam is considered essential duty.

(e) Forwarding of awards and corrections to it.

Instructions have been issued and must be complied.

(f) Assignment of duties for the purpose of examination is essential University duty and must be taken seriously.

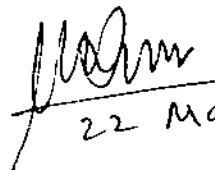

(g) Evaluation of answer books at Evaluation centres.

- (i) Responsibility of the Principal
- (ii) Responsibility of Staff of the evaluation centre.
- (iii) Responsibility of checking clerks.

(h) Answer books must be accepted for evaluation at all centres for evaluation and must be handed back to PTU within 15 day after marking.

(i) Conduct of exams in reappears for students passed out would be conducted centrally at one of the centres earmarked for the purpose.

The matter is put before the Academic Council.

COUNCIL OF ARCHITECTURE

[A Statutory body constituted by Ministry of Human Resource Development, Government of India, under the Architects Act, 1972]

PUBLIC NOTICE

5 YEAR DEGREE/ 5 YEAR DIPLOMA COURSE IN ARCHITECTURE

Attention : Architects, Institutions, Students, Parents and all concerned.

The Council of Architecture (COA), regulates Standards of Architectural Education and profession of an architect under the various provisions of the Architects Act, 1972 (A Special Central Act) and the respective Rules, Regulations and Norms framed therefor.

Registration with Council of Architecture is mandatory for practicing the profession of an architect in India, seeking employment with Government and taking up teaching assignments.

Eligibility for admission to 1st year B. Arch : As per the Minimum Standards of Architectural Education Regulations 1983, No candidate, with less than 50% marks in aggregate, shall be admitted to the architecture course unless he/she has passed an examination at the end of the new 10+2 scheme of Senior School Certificate Examination or equivalent with Mathematics and English as subjects of examination at the 10+2 level, subject to an Aptitude Test.

No lateral admission : The Regulations 1983, has no provision for lateral admission in 2nd year or at any other stage of the 5 year course in Architecture. Inspection of existing Colleges/Institutions : Council of Architecture is required to oversee the maintenance of minimum standards of architectural education by way of inspections. The concerned authorities and schools are hereby informed not to admit students in academic session 2004-2005 in excess of the given intake for academic session 2003-2004 unless advised to do so by the Council of Architecture, upon conducting inspections in the current session.

Introduction of new courses/ Increase in intake : Any institution desirous of introducing a 5-year degree course in Architecture or increase its existing intake or introducing an additional course is advised to get the feasibility of its proposal evaluated by COA to ensure its compliance with Sections 18, 19, 20, 21 and 45 of the Act read with Regulations, 1983, for the conduct of the course. Relevant orders of the Hon'ble High Court of Madras : Hon'ble High Court of Judicature at Madras, vide its interim order dated 15.12.2003, has restrained the All India Council for Technical Education from acting in any manner in interfering with the administration of the existing and establishment of the new institutions by imparting, education in Architecture as they are governed by the Architects Act, 1972 and its regulations pending disposal of the writ petition no. 34520 and other similar writ petitions. Hon'ble High Court of Judicature at Madras, vide its interim order dated 28.11.2003, has restrained the Central Board of Secondary Education from conducting entrance examinations for the course of Bachelor of Architecture by prescribing entry level qualification other than what has been prescribed by the Council of Architecture pending disposal of the writ petition no. 34892 and 34893 of 2003.

Adv. No.: AICTE/Legal/2/2004

PUBLIC NOTICE

(Amendment to existing Norms for Admission qualifications)

As per the recent decision of the Council on the entry level qualification for admissions to various AICTE approved technical institutions, the following is notified (which is also available on AICTE website www.aicteernet.in)

I. Minimum Admission qualifications:

(1) Minimum Qualifications for admission in Degree Engineering Programme.

Should be pass in 10+2 examination with Physics and Mathematics as compulsory subjects along with any one of the following subjects.

- | | |
|-------------------|---------------------|
| a. Chemistry | c. Computer Science |
| b. Bio-technology | d. Biology |

(2) Minimum Qualifications for admission in Degree Pharmacy Programme

Should be a pass in 10+2 examination with Physics and Chemistry as compulsory subjects along with any one of the following subjects:

- | | |
|----------------|---------------------|
| a. Mathematics | c. Bio-technology |
| b. Biology | d. Computer Science |

(3) Minimum Qualification for admissions in Architecture and Town Planning

Should be a pass in 10+2 examination with Physics and Mathematics as compulsory subjects along with any one of the following subjects

- | | |
|------------------------|---------------------|
| a. Chemistry | c. Computer Science |
| b. Engineering Drawing | d. Biology |

However, the candidates will be required to qualify in the entrance test in all subjects as per requirements of the entrance test. It was also decided that in order to reduce the multiplicity of Entrance Tests, the various State Governments / Union Territories are advised to fill up their open seats on the basis of AIEEE.

II. Minimum Qualification for admission in MCA Programme.

Should be a pass in any recognized Bachelor's Degree of minimum 3 years' duration in any discipline with Mathematics at 10+2 school level

Or

Should be a pass in any recognized Bachelor's Degree of minimum 3 years' duration in any discipline with Mathematics as one of the subjects

III. Admission under supernumerary Quota for Foreign Nationals / PIO:

The following shall stand amended in the AICTE Guidelines for admission of students under 15% of supernumerary quota for Foreign Nationals / PIO, notified in the Gazette on April 24 2002:

One-third of 15% i.e. 5% shall be reserved for the Children of Indian Workers in the Gulf Countries. Other terms and provisions shall remain unaltered.

ADVISER (ADMINISTRATION)

PUNJAB TECHNICAL UNIVERSITY, JALANDHAR

Eligibility criteria for admission to various courses (Undergraduate courses)

Sl. No.	Course	Duration of course (in years)	Eligibility criteria	New Eligibility criteria
1.	B. Tech. / B. Arch.	04	All those candidates who have passed the 10+2 examination with Physics and Mathematics as compulsory subjects along with any one the following subjects: For Engineering & Technology courses • Chemistry • Biotechnology • Computer Science • Biology. For Architecture course • Chemistry • Engineering Drawing • Computer Science • Biology. Candidates who are appearing in the 10+2 examination to be held during March / April, 2004 shall also be eligible to appear in the Entrance Test. The admission of such candidates to the Entrance Test shall be purely provisional and shall stand cancelled, if they fail to qualify in the aforesaid examination and such candidates shall have no claim, whatsoever, for admission to these courses. OR Those candidates who have passed their 10th / 10+2 examination with Science stream and have passed diploma in any Engineering trade from Punjab State Board of Technical Education, Chandigarh or Sant Longowal Institute of Engineering & Technology, Longowal or such examination from any other recognized State Board of Technical Education. Those candidates who are appearing in the final semester of their diploma courses in Engineering / Technology are also eligible to appear in the Entrance Test. The admission of such candidates to the Entrance Test shall be purely provisional and shall stand cancelled automatically if they fail to qualify in the aforesaid examination and such candidates will have no claim whatsoever, for admission to the course.	No Change

4.	B Pharmacy		04	in the aforesaid examination and such candidates shall have no claim, whatsoever, for admission to these course. Passed in 10+2 examination with Physics and Chemistry as compulsory subjects along with one the following subjects: • Mathematics • Biotechnology • Computer Science • Biology.	No Change
5.	B Pharmacy 2 nd Year (3 rd Semester)		03	Passed diploma in Pharmacy from an Institute affiliated to Punjab State Board of Technical Education & Industrial Trg. any University situated in the State of Punjab and Diploma in Pharmacy awarded is duly approved by PCI / AICTE. Passed diploma in Pharmacy from Institute affiliated to Punjab State Board of Technical Education & Industrial Trg. or any University situated in the State of Punjab with atleast 60% marks in aggregate as per ER-1991 provided that such Diploma in Pharmacy awarded is duly approved by PCI / AICTE.	
6.	BBA / BCA		03	10+2 or equivalent examination conducted by a recognized Board / University OR have passed Matriculation examination and have also passed three year Diploma in any Engineering trade from PSBTE&IT Chandigarh or such examination from any other recognized SBTE or SLIET, Longowa	No Change

7.	B. Sc. (MLT)	03	Stream Medical	Pass percentage Minimum of 50% marks in the aggregate of Physics, Chemistry and Biology in the 10+2 examination (33% for SC / ST category candidates).	Pass in 10+2 with Physics & Chemistry as compulsory subjects and any one of the Mathematics or Biology. OR have passed Matriculation examination and have also passed three year Diploma in any Engineering trade from PSBTE&IT Chandigarh or such examination from any other recognized SBTE
			Non-Medical	Minimum of 50% marks in the aggregate of Physics, Chemistry and Mathematics in the 10+2 examination (33% for SC / ST category candidates).	
			Diploma (Medical Lab. Technology)	Minimum of 50% marks in aggregate (33% for SC / ST category candidates)	
8.	B. Sc. (MLT) Lateral Entry to 2 nd / 3 rd semester	02	Diploma in Medical Lab. Technology with 60% marks in aggregate		Diploma in Medical Lab. Technology with 50% marks in aggregate.
9.	Bachelor of Hotel Management & Catering Technology	03	Passed in 10+2 or its equivalent examination conducted by the recognized Board / University / Council.		No Change
10.	Bachelor of Hotel Management & Catering Technology (2 nd year / 3 rd semester)	02			Diploma in Hotel Management & Catering Technology with 60% marks in aggregate.

Sl. No.	Degree Engineering Course	Diploma/Discipline eligible for admission
1.	Civil Engineering	3 years/4years diploma in Civil Engineering
2.	Electrical Engineering	3 years/4years diploma in Electrical Engg.
3.	a) Electronics & Instrumentation Engineering b) Electronics & Communication Instrumentation & Control Engineering c) Applied Electronics & Instrumentation Engineering	(i) 3 years / 4years diploma in Electronics & T.V. Technology (ii) 3 years/4years diploma in Electronics & Microprocessor (iii) 3 years/4years diploma in Electronics & Comm. Engineering (iv) 2½ years diploma after 10+2 in Electronics & Communication Engineering from SLIET, Longowal (v) 3 years/4years diploma in Instrumentation and Control (vi) 2½ years diploma after 10+2 in Instrumentation and Process Control from SLIET, Longowal
4.	ii) Mechanical Engineering iii) Industrial Engineering iv) Production Engineering	(i) 3 years / 4 years diploma in Mechanical Engineering (ii) 3 years / 4 years diploma in Production and Industrial Engineering (iii) 3 years / 4 years diploma in Refrigeration & Air Conditioning (iv) 2½ years diploma after 10+2 from SLIET, Longowal in (a) Foundry Technology or (b) Industrial/Production Engineering or (c) Maintenance of Plant Engineering or (d) Welding Technology
5.	1) Computer Engineering 2) Computer Sc. & Engineering 3) Computer Science (Information Technology) 4) Information Technology	(i) 3 years/4years diploma in Computer Engineering (ii) 2½ years diploma after 10+2 from SLIET, Longowal in (a) Computer Programming & Application or (b) Computer Servicing & Maintenance
6.	Textile Engineering	(i) 3 years/4years diploma in Textile Tech. (ii) 3 years/4years diploma in Textile Chemistry (iii) 3 years/4years diploma in Garment Tech. (iv) 3 years/4years diploma in Knitting Tech. (v) 2½ years diploma after 10+2 from in Chemical Technology SLIET, Longowal.
7.	Chemical Engineering	(i) 2½ years diploma after 10+2 in Chemical Technology from SLIET, Longowal. (ii) 3 years/4years diploma in Chemical Engineering
8.	Material Engineering	(i) 3 years/4years diploma in Mechanical/ Production / Electrical Engineering (ii) 2½ years diploma after 10+2 in Foundry or Welding Technology from SLIET, Longowal.
9.	Bio-technology

RULES FOR MANAGEMENT COURSES

(MBA / MCA / BBA / BCA)

A candidate is required to pass in all the courses prescribed in a semester by securing minimum prescribed marks in a course. However, if a candidate fails to secure required marks in a course, he / she shall be allowed to reappear according to the following regulations :

- (i) A candidate detained from appearing in any semester examination of a subject(s) due to shortage of attendance will retake the course study when the subject(s) are offered in the subsequent semesters.
- (ii) Those candidates who obtained less than 40% marks in University examination in any of the courses shall be placed under reappear. They may appear in the University examination in the reappear course in the subsequent semester when the examination of this course is held
- (iii) A candidate who has been placed in reappear because of University examination shall be allowed to study for next semester examination & shall be permitted to appear in the failed papers of the previous examinations in the subsequent examinations which shall be held along with the papers of the higher examination. **A candidate shall be allowed to study 4th semester only after passing all the subjects in 1st semester. Similarly, 5th semester studies shall be permitted only after passing all the subjects of 2nd semester.**
- (iv) A total of nine semester (four and a half years) from the date of admission shall be given to a candidate of MCA, BCA & BBA courses while a total of six semesters (three years) shall be given to a candidate of MBA to pass all the courses, after which the candidature of the candidate shall be cancelled.

A meeting to review ordinances of B. Pharmacy was held on 24th January, 2004 at 10:00 am in the committee Room.

The following were present :

1. Mr. M.S. Khattrra, Director, GHG CP, Gurusar Sadhar
2. Dr. G.S. Roy, Principal, BIS CP, Gagra, Kot-ise-Khan
3. Dr. R.L. Gupta, Principal, ASBASJSCP, Bela

Following decisions were taken :

Sh. M.S. Khattrra felt that as per terms of reference of the committee constituted, the members were supposed to deliberate on the issue keeping in view the rules and regulations governing pharmacy course in other Universities of the region, country and abroad for uniformity of standards and qualitative aspects of it. However, if the meeting is confined to reiterate the rules vis - a - vis amendments carried out by Academic Council to-date in the existing regulations, he agreed with the other members and it was unanimously decided as under :

The members discussed at length the existing ordinances of University and a revised ordinances draft for approval by University is submitted.

(M.S. Khattrra)

(G.S. Roy)

ORDINANCES FOR B.PHARMACY

1. The University shall undertake the instructions for Bachelor's Degree in Pharmacy (B. Pharm.). The duration of the Course shall be four academic years. Each year shall be divided into two semesters. The duration of each semester will be 18-20 weeks (90 teaching days).
2. The admission to this course will be based on entrance test to be conducted by Punjab Technical University, provided the candidate is otherwise eligible for admission.
3. The eligibility for admission shall be as follows:-
 - (a) B.Pharmacy 1st semester: -

10+2 Pass with Physics and Chemistry as compulsory subjects and one of the following:-
Mathematics
Biology
Bio-technology
Computer Science
OR
Have passed Diploma in Pharmacy Stream from Punjab State Board of Technical Education or from any recognised State Board of Technical Education as per ER-1991. Admission shall be purely through counselling in the above streams. The seats will be equally divided in the streams.
 - (b) B.Pharmacy 3rd semester: - Diploma in pharmacy pass with 60% as per ER-1991 & admission shall be based on inter-se merit of Diploma pharmacy.
4. There shall be University examination at the end of each semester. The examination for the first, third, fifth and seventh semesters shall ordinarily be held in the month of December and for the second, fourth, sixth and eighth semesters in the month of May, or on such dates as may be fixed by the University.
5. Every candidate shall be examined in the subjects according to the syllabi and course outlines prescribed from time to time.
6. Each paper shall be of 100 marks, out of which the candidate shall be examined for 80 marks based on external paper setting & evaluation. Remaining 20 marks in each paper shall be assigned to internal assessment It will be based on performance of the students in house tests, and day to day assessment in practicals. In Remedial Mathematics / Remedial Biology of semester – I, the theory marks shall be 80/40 in the University examination and 20/10 in the sessionals, respectively. The allotment of marks for practicals in Biology shall be 40 in the University examination and 10 in the sessionals.
7. The first semester examination shall be open to a regular student who :-
 - (i) has been on the rolls of the college during the first semester ; and
 - (ii) has attended not less than 75% of the lectures and practicals.
 - (iii) bears a good moral character.

8. The first, second, third, fourth, fifth, sixth, seventh, and eighth semester examinations shall be open to a regular student who :-
 - (i) has been on the rolls of the College during these semesters as the case may be.
 - (ii) has attempted not less than 75% of lectures and practicals, and
 - (iii) has passed the previous semester examination respectively, or is covered under re-appear regulations.
9. Attendance shall be counted upto seven days prior to the date of commencement of the University Theory examinations.
10. The head of the institution may condone shortage in attendance in each subject to the extent of 10% of the total lectures delivered and practicals held with proper recorded reasons.
11. The medium of instruction shall be English.
12. The minimum marks to pass the examination in each semester shall be 40% in each written Theory paper and external Practical examination separately and 50% in aggregate of sessionals and University practical examination marks of all the papers and the ratio for external and internal assessment shall be 80:20 in theory and practicals for each subject and this rule shall apply to 2003 admission batch.
13. A candidate shall be eligible for the award of a prize or a medal, if
 - (c) he/she passes the B.Pharmacy examination in four years, and
 - (d) has passed all the subjects in the first attempt available to him/her.
14. The internal assessment awards of a candidate who fails in the external examination shall be carried forward to the next examination.
15. There shall be no reappear in the sessional / internal assessment of Theory and Practical subjects. The marks obtained by the students in sessional / internal assessment both in Theory and Practical shall be added as such to the marks obtained in written Theory and External Practical examinations respectively.
16. The external examiners for the Practical examination shall be appointed by the University and the presence of an external examiner to conduct the Practical examination shall be required.
17. In the detailed marks card, the marks secured by the candidate in internal assessment and external examination will be shown separately.
18. The successful candidates shall be classified on the basis of aggregate marks in first, second, third, fourth, fifth, sixth, seventh, and eighth, semesters into following divisions :
 - (a) Those who obtain 70% or more of the total aggregate marks -First Division with Honours
 - (b) Those who obtain 60% or more but less than 70% of the total aggregate marks -First Division
 - (c) Those who obtain 50% or more but less than 60% of the total aggregate marks -Second Division
19. As soon as possible after the completion of the examination, the University shall publish a list of successful candidates.

20.

A candidate is required to pass in all the courses prescribed in a semester in University Examination by securing minimum prescribed marks in a course as prescribed in the regulations. However, if a candidate fails to secure required marks in a course, he / she shall be allowed to reappear according to the following regulations :

- (a) A candidate detained from appearing in a semester examination of a subject(s) due to shortage of attendance will retake the course of study when the subject(s) are offered as a regular course in the subsequent semesters.
- (b) Those candidates who obtain less than 40% marks in University examination in any of the course shall be placed under reappear. A candidate who fails to obtain the required marks 50% in aggregate of sessionals and University examination shall be required to appear in the University examination in the reappear course in the subsequent semester when the examination of this course is held.
- (c) A candidate who has been placed in reappear because of University examination shall be allowed to study for next semester examination & shall be permitted to appear in the failed papers of the previous examinations in the subsequent examinations which shall be held along with the papers of the higher examination, subject to the conditions that for promotion to the third semester at least 50% courses of first & second semester should be clear. In case any student fails to obtain 50% in aggregate, he shall appear in the subject(s) of her / his choice in a re-appear case to obtain overall 50%.
- (d) A total of twelve semesters (six years) from the date of admission shall be given to a candidate to pass all the courses after which the candidature of the candidate shall be cancelled. Thus for promotion to semester 5th and semester 6th, the rule 1 to 5 and 2 to 6 will operate, i.e., those who do not pass 1st semester may attempt reappear upto 4th semester and cannot register for 5th semester until he / she clears 1st semester, those who do not pass 2nd semester can try attempting repeat upto 5th semester and cannot continue 6th semester if they do not clear 2nd semester. If any student wants to avail further chance to clear the course (s) of 1st and 2nd semester, he / she will be allowed to do so at the time of 5th and 6th semester examination as the case may be, but he / she will not be allowed to register for regular courses of that semester. Thus, he/she will drop one year and may register for 5th and 6th semester only after clearing 1st and 2nd semester courses respectively. The overall ceiling of 6 years for completing studies will not be relaxed. Thus, those who do not pass in as above, they will have to discontinue studies.
- (e) In case of lateral entry students the maximum time limit for completion of the course is 4 ½ years.

Agenda Curriculum

15th Academic Council meeting to be held on 30 March 2004

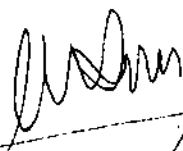

1. Curriculum in respect of the following B. Tech. courses (from 5th to 8th semester) is presented for approval of the Academic Council :

- a) Electrical Engineering
- b) Textile Technology
- c) Production Engineering
- d) Computer Science & Engineering
- e) Information Technology
- f) Electronics & Communication Engineering
- g) Electronics & Instrumentation Engineering
- h) Mechanical Engineering
- j) Bio Technology
- k) Civil Engineering

2. There is no change in the existing curriculum/study scheme in respect of the following courses.

- | | | | |
|----|----------------------|---|-----------|
| a) | Chemical Engineering | - | No Change |
| b) | MBA / MCA | - | No Change |
| c) | BBA / BCA | - | No Change |
| d) | B. Pharmacy | - | No Change |

The matter is put up before the Academic Council.

22/3/04.

AGENDA POINT

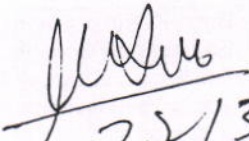

INTRODUCTION OF NEW COURSES

To consider to introduction of new courses

The following courses have been recommended :

1. B. Tech. (TQM) -2 year course for students working in industry and sponsored by it for full time residential course at PTU-Gian Jyoti School of TQM & Entrepreneurship.
2. B. Planning
3. Bachelor of Design (Interior Design)
4. Bachelor of Design (Product Design)
5. B. Sc. (Catering)
6. B. Sc. (Air Hostess)

All the courses currently offered in Distance Education Mode / Online Mode which are of two years or more duration may be taken up as regular courses by Regular Colleges as a normal feature.

22/3/09

PUNJAB TECHNICAL UNIVERSITY, JALANDHAR

Approved seats in Engineering Colleges

SESSION : 2003 - 04

Sl. No	Name of the Institution	Name of the Courses	Sanctioned intake	Semester for training
1.	Adesh Institute of Engg & Technology, Faridkot.	1. Computer Sc. & Engg. 2. Electrical Engg. 3. Electronics & Comm. Engg. 4. Information Technology 5. Instrumentation & Control Engg.	90 60 60 60 60	6 7 7 7 6
2.	Amritsar College of Engg. & Tech., Amritsar	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Information Technology 4. Mechanical Engineering	60 60 60 60	7 6 6 7
3.	Baba Banda Singh Bahadur Engineering College, Fatehgarh Sahib.	1. Computer Sc. & Engg. 2. Mechanical Engg. 3. Electronics & Comm. Engg. 4. Information Technology 5. Electrical Engineering	90 60 90 60 60	6 7 7 7 6
4.	Baba Kumba Singh Ji Engineering College, Gurdwara, Gurusar Satlani Sahib VPO Hushiar Nagar, Amritsar	1. Mechanical Engineering 2. Electronics & Comm. Engg. 3. Computer Sc. & Engg. 4. Electrical Engg.	40 40 40 40	6 6 7 7
5.	Beant College of Engineering & Technology, Gurdaspur (Established and promoted by Punjab Government)	1. Computer Sc. & Engg. 2. Mechanical Engg. 3. Production Engg. 4. Chemical Engg. 5. Electronics & Comm. Engg. 6. Information Tech.	60 60 40 60 40 40	6 7 6 6 7 7
6.	Bhai Gurdas Institute of Engg. & Tech., Sangrur	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Information Technology 4. Electrical Engineering 5. Mechanical Engineering	60 60 60 60 60	7 6 6 7 6
7.	Bhai Maha Singh College of Engg., Muktsar	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Information Technology 4. Mechanical Engineering	60 60 60 60	6 7 7 6
8.	Bhutta College of Engineering & Technology, Bhutta (Ludhiana)	1. Mechanical Engineering 2. Electronics & Comm. Engg. 3. Computer Sc. & Engg. 4. Electrical Engg.	40 40 40 40	7 6 7 6
9.	Chandigarh Engg. College Landran (Mohali)	1. Computer Sc. & Engg. 2. Electrical Engineering 3. Electronics & Comm. Engg. 4. Information Technology 5. Mechanical Engg.	60 60 60 60 60	6 7 7 7 6
10.	Chitkara Institute of Engineering & Tech. Vill Jansala, Teh. Rajpura, Patiala	1. Computer Sc. & Engg. 2. Electrical Engineering 3. Electronics & Comm. Engg. 4. Mechanical Engineering	60 60 60 60	7 6 6 7
11.	College of Engg. & Management, Goindwal Road, Kapurthala	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Information Technology 4. Instrumentation & Control Engg.	60 60 60 60	6 7 7 6

12.	D.A.V. Institute of Engg. & Tech., Jalandhar.	1. Civil Engg. 2. Computer Sc. & Engg 3. Electrical Engineering 4. Electronics & Comm. Engg. 5. Information Technology 6. Mechanical Engg.	60 60 60 60 60 60	7 7 7 6 6 6
13.	GGs College of Modern Tech., Kharar, Distt. Ropar	1. Applied Electronics & Instrumentation Engg. 2. Computer Sc. & Engg. 3. Electrical Engineering 4. Electronics & Comm. Engg. 5. Mechanical Engg.	60 60 60 60 60	6 6 6 7 7
14.	Giani Zail Singh College of Engineering & Technology, Bathinda (Established and promoted by Punjab Government)	1. Architecture 2. Civil Engineering 3. Computer Sc. & Engg. 4. Electrical Engg. 5. Electronics & Comm. Engg. 6. Mechanical Engg. 7. Textile Engg.	40 60 60 60 40 60 30	7 6 7 7 6 6 6
15.	Guru Gobind Singh College of Engg. & Tech. Talwandi Sabo, Bathinda.	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Information Technology 4. Mechanical Engineering	90 60 60 60	6 7 7 6
16.	Guru Nanak Dev Engineering College, Ludhiana	1. Civil Engineering 2. Computer Sc. & Engg. 3. Electrical Engg. 4. Electronics & Comm. Engg. 5. Information Technology 6. Mechanical Engg. 7. Production Engg.	40 40 50 40 60 60 30	7 7 6 6 6 7 6
17.	Guru Teg Bahadur Khalsa Instt. of Engg. & Technology, Chhapianwali, Malout.	1. Computer Sc. & Engg. 2. Electrical Engg. 3. Electronics & Comm. Engg. 4. Electronics & Inst. Engg. 5. Mechanical Engg.	90 60 60 30 60	6 7 7 7 6
18.	IITT College of Engg, Pojewal, Distt. Nawan Shahar	1. Chemical Engg. 2. Computer Sc. & Engg. 3. Electronics & Comm. Engg. 4. Electronics & Inst. Engg. 5. Information Tech.	60 60 60 60 30	7 7 6 6 6
19.	Indo Global College of Architecture, Abhipur	1. Architecture	40	7
20.	Indo Global College of Engineering, Abhipur	1. Civil Engg. 2. Computer Sc. & Engg. 3. Electronics & Comm. Engg. 4. Mechanical Engineering	40 40 40 40	6 6 7 7
21.	Institute of Engineering & Technology, Village Bhaddal, Ropar.	1. Computer Sc. & Engg. 2. Electrical Engineering 3. Electronics & Comm. Engg. 4. Electronics & Inst. Engg. 5. Information Technology. 6. Mechanical Engg.	120 60 120 60 90 60	7 7 6 7 6 6
22.	Lala Lajpat Rai Institute of Engineering & Technology, Moga.	1. Applied Electronics & Electrical Engg. 2. Computer Sc. & Engg. 3. Electrical Engg. 4. Electronics & Comm. Engg. 5. Information Technology. 6. Mechanical Engg.	60 90 60 60 60 60	6 6 6 7 7 7

23.	Lovely Institute of Technology, Near Chehru Rly. Bridge, Distt., Kapurthala	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Information Technology 4. Mechanical Engineering	60 90 60 60	7 6 6 7
24.	Ludhiana College of Engg. & Tech., Katani Kalan, Samrala Road, Ludhiana	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Mechanical Engineering 4. Information Technology	60 60 60 60	6 7 7 6
25.	Malout Institute of Management & Information Technology, Malout district Muktsar.	1. Electronics & Comm. Engg. 2. Information Technology 3. Mechanical Engineering	60 60 60	6 7 6
26.	Punjab College of Engineering & Technology, Vili Mallakpur (Lalru Mandi)	1. Computer Sc. & Engg. 2. Electrical Engg. 3. Electronics & Comm. Engg. 4. Mechanical Engg.	60 60 60 60	7 6 6 7
27.	Ramgarhia Institute of Engineering & Technology, Phagwara	1. Civil Engg. 2. Computer Sc. & Engg. 3. Electronics & Comm. Engg. 4. Mechanical Engineering	60 60 60 60	7 6 7 6
28.	Rayat Instt. Of Engg. & Information Technology, VPO Rail Majra, Chandigarh-Amritsar G.T. Road, Distt. Nawan Shahr.	1. Computer Sc. & Engg. 2. Electrical Engineering 3. Electronics & Comm. Engg. 4. Information Tech. 5. Mechanical Engineering	90 60 90 60 60	7 6 6 6 7
29.	RIMT-Institute of Management & Technology, Mandi Gobindgarh	1. Computer Sc. & Engg. 2. Electrical Engg. 3. Electronics & Comm. Engg. 4. Mechanical Engineering	60 60 60 60	6 7 7 6
30.	Sant Baba Bhag Singh Institute of Engineering & Technology, VPO Padhiana (Jalandhar)	1. Computer Sc. & Engg. 2. Electronics & Comm. Engg. 3. Mechanical Engineering	60 60 60	7 6 7
31.	Shaheed Bhagat Singh College of Engineering & Technology, Ferozepur	1. Chemical Engg. 2. Computer Sc. & Engg. 3. Electrical Engineering 4. Electronics & Comm. Engg. 5. Mechanical Engg. 6. Production Engg.	40 60 60 60 90 40	7 6 7 7 6 6
32.	Shaheed Udham Singh College of Engineering & Technology, Tangori, Mohali.	1. Bio-Technology 2. Computer Sc. & Engg. 3. Electrical Engg. 4. Electronics & Comm. Engg. 5. Information Technology 6. Mechanical Engg.	30 120 60 90 60 60	7 7 6 6 6 7
33.	Sri Sai College of Engg. & Tech., VPO Badhani, Pathankot	1. Computer Sc. & Engg. 2. Electrical Engg. 3. Electronics & Comm. Engg. 4. Mechanical Engg.	60 60 60 60	6 7 7 6
34.	Sri Sukhmani Institute of Engineering & Technology, Dera Bassi.	1. Computer Sc. & Engg. 2. Electrical Engg. 3. Electronics & Comm. Engg. 4. Information Technology 5. Mechanical Engg.	60 60 60 60 60	7 6 6 6 7

Appendix - A
LIST OF COLLEGES TO BE PROVISIONALLY INCLUDED IN PUNJAB GOVERNMENT NOTIFICATION FOR ADMISSIONS 2004-05.

A. ENGINEERING & TECHNOLOGY

Sl. No.	Name of the Society / Trust	Name of the College / Institute	Proposed Branches	Proposed seats	NOC issued on vide No.	NOC from Punjab Government	LOI from AICTE
1.	Aasra Foundation (Regd.) Amloh Road, Mandi Gobindgarh - 147 301	Desh Bhagat Engineering College, Amloh Road, Mandi Gobindgarh - 147 301	(i) Civil Engineering (ii) Computer Sci. & Engg. (iii) Electronics & Comm. Engg. (iv) Mechanical Engg.	60 60 60 60	PTU/Reg/NOC/1603-1605 Dated : 23.03.2004	14/63/2003-STE2/5054 Dated : 04.12.2003	06/04/PUN/ENGG/2004/003 Dated : 28.01.2004
2.	C.T. Educational Society (Regd.) Greater Kailash Colony, Maqasudan, Jalandhar - 144 008	C.T. Institute of Engineering Management & Technology, Vill. Shahpur Distt. Jalandhar - 144 026	(i) Computer Sci. & Engg. (ii) Electronics & Comm. Engg. (iii) Mechanical Engg. (iv) Electronics & Electrical Engg.	60 60 60 60	PTU/Reg/NOC/60698-60700 Dated : 30.12.2003	14/59/2003-STE2/6088 Dated : 15.12.2003	06/04/PUN/ENGG/2004/010 Dated : 25.02.2004
3.	K.C. Social Welfare Society, K.C. Tower, Chandigarh Road, Nawanshahr - 144 514	K.C. College of Engg. & Information Technology, VPO Kariam, Distt. Nawanshahr	(i) Mechanical Engg. (ii) Computer Science & Engg. (iii) Electrical Engg. (iv) Electronics & Comm.
