20th Academic Council

20th Academic Council

AGENDA

for the

TWENTIETH MEETING

Of the

ACADEMIC COUNCIL

to be held on

20th APRIL 2005

(11:30 Hours)

at

RIMT- INSTITUTE OF ENGINEERING & TECHNOLOGY, MANDI GOBINDGARH

PUNJAB TECHNICAL UNIVERSITY
JALANDHAR

AGENDA POINTS FOR 20TH MEETING OF THE ACADEMIC COUNCIL TO BE HELD ON 20TH APRIL, 2005 AT 11:30 AM AT RIMT- INSTITUTE OF ENGINEERING & TECHNOLOGY, MANDI GOBINDGARH

Item No. 20.1   To confirm the minutes of the 19th meeting of the Academic Council.

Item No. 20.2   The action taken report of the committees constituted in the 19th Academic Council.

Item No. 20.3   To report CET-- 2005.

Item No. 20.4   To report affiliation for session 2005 –06.

Item No. 20.5   Amendments in the examination rules of the University.

Item No. 20.6   To ratify and consider award of Ph.D. Degree.

Item No. 20.7   To consider new courses from session 2005 –06.

Item No.20.8   To consider amendments with respect to B. Arch. course in Academic Regulations – 2004.

Item No. 20.9   To consider special chance for improvement of attendance shortage to the students of 8th semester.

Item No. 20.10   To consider phasing out of one year Postgraduate Diploma courses.

Any other point with the permission of the chair.

Item No. 20.1	**To confirm the minutes of the 19th meeting of the Academic Council.**

Minutes of the 19th meeting of Academic Council held on 3rd October 2004 at 'Sri Sukhmani Institute of Engineering & Technology, Dera Bassi is placed at **Annexure-I.** As there are no written comments received, the minutes may be confirmed.

Item No. 20.2	**The action taken report of the committees constituted in the 19th Academic Council.**

(a) The 19th Academic Council appointed a sub committee to consider the fall out of amendments in attendance rules of the Academic Regulations – 2004. The recommendations of the committee are appended as **Annexure-II.**

The Academic Council may consider the recommendations for forwarding to the BOG for consideration and approval.

(b) As decided in the 19th meeting of the Academic Council vide agenda item No. 19.7, the Council for Engineering, Management & Architecture and Pharmacy Council have been constituted. The members and terms of reference of the councils are appended as **Annexure –III & IV,** respectively.

AC may note the same.

Item No. 20.3	**To report CET– 2005.**

Punjab Government vide notification No. 13/3/2005-1TE2/895 dated 06.04.2005 authorized the PTU to conduct Combined Entrance Test (CET-2005) for admission to Engineering / Architecture / Pharmacy courses. The CET is now scheduled on 3rd June, 2005 and LEET is scheduled on 17th June, 2005.

The notification for Non-AICTE courses will be issued by 10th May, 2005.

The Academic Council may note the same.

Item No. 20.4	**To report affiliation for session 2005 –06.**

University vide advertisement in leading newspapers / official website invited applications for affiliation for session 2005 – 06. Even after repeated reminders few of the existing colleges have not yet applied formally for continuation of affiliation.

Also, Seven new Engineering colleges, 05 new Pharmacy colleges, 01 Architecture college, 03 in Hotel Management and 04 Management colleges have applied for afflation from session 2005 – 06. List of all these colleges is appended at **Annexure – V**

Academic Council may note the same.

Item No. 20.5

Amendments in the examination rules of the University.

Amendments in the existing rules on Preservation of Record, Identification of answer book(s), period of disqualification and attendance detention etc. have been proposed to streamline the activities related to issues of examinations. The same is placed at **Annexure –VI**

Academic Council may consider the proposed amendments.

Item No. 20.6

To ratify and consider award of Ph.D. Degree.

On recommendation of the RDC the following candidates have been awarded Ph.D.

Sl. No.	Name of the candidates	Title of thesis	Year of enrolment
1.	Mr. Yadwinder Singh	Economic Dispatch of Electric Power System with Conflicting Objectives	2001
2.	Mr. Amar Partap Singh	Development and Implementation of Intelligent Soft Instrumentation Systems.	2002

The Academic Council may consider the cases for ratification.

Also, Mr. Harish Kumar has been recommended by RDC for the award of Ph.D. Degree and title of his thesis is *"Performance analysis of broadband optical communication systems with fiber impairments."*.

If recommended the case could be forwarded to BOG for approval of the award of the Degree.

Item No. 20.7

To consider new courses from session 2005 –06.

After having considered the report of the review committee on "Revitalizing of Technical Education in the State of Punjab" and on perusal of the affiliation application received from colleges, the following course are proposed to be introduced from the session 2005 - 06 :

1. B.Sc. (Bio-informatics)
2. B.Sc. (Bio-Technology)
3. B.Sc. (Medical Electronics & Instrumentation)
4. B.Sc. (Fashion Technology)
5. M.Sc. (Bo-Informatics)
6. M.Sc. (Bio-Technology)
7. M.Sc. (Medical Electronics & Instrumentation)
8. M.Sc. (Medical Lab. Technology)
9. M.Sc. (Fashion Technology)

Academic Council may consider the proposal for implementation and constitute a committee to recommend the eligibility and fee structure for the courses. Also, The Academic Council may constitute a committee to rationalize the fee structure of Airlines and Hospitality Management courses, already existing, in conjunction with other undergraduate and postgraduate courses.

Item No .20.8

To consider amendments with respect to B. Arch. course in Academic Regulations – 2004.

The internal and external assessment under "section 5 Certification" of Academic Regulations – 2004 is stipulated as 40 & 60, respectively. It is suggested that the Internal assessment of courses in Architecture and Town Planning, where a substantial practical component (drawing) is associated with almost all the courses the internal and external assessment could be evaluated in 50 & 50, respectively. This is also in consistency with the practice of evaluation in similar courses elsewhere. Necessary directions on the breakup of the internal assessment may also be given.

The Academic Council may consider the proposal for necessary amendment in the Academic Regulations – 2004.

▲

Item No. 20.9

To consider special chance for improvement of attendance shortage to the students of 8th semester.

It has been reported that due to changes in the syllabi of B. Tech. 2002 batch onwards some of the students of eight semester (2001 batch) could not opt for subjects in which they had *detention due to shortage of attendance* during the regular sessions. As these students are to complete the programme in July, 2005, they may be given a special chance to improve on attendance shortage on case to case basis before July, 2005.

If approved, the college may invite applications for consideration from the concerned students.

Item No. 20.10

To consider phasing out of one year Postgraduate Diploma courses.

Academic Council has already permitted the following one year postgraduate diploma programmes offered under the DEP as regular courses in the affiliated colleges :

(a) Postgraduate Programme in Airlines, Tourism & Hospitality Management
(b) Postgraduate Programme in Service Industry Management.
(Vide 15th Academic Council meeting)
(c) PGDCA (Vide 19th Academic Council meeting)

These programmes have been offered as regular courses since session 2004 –05. However, it has been observed that these programmes as regular courses shall have practical difficulties with respect to the maximum duration for completion of the course. It is proposed that the one-year postgraduate diploma programme could be treated as a subset of M.Sc. Degree programme in the respective specializations and admission be given only to the M.Sc. Degree programmes of two year duration.

The postgraduate diploma may be awarded to a student who completes the courses of first two semesters and does not wish to pursue M.Sc. The first year scheme of study shall be developed keeping in view this terminality. Other general rules and regulations shall be as applicable in case of M.Sc. courses.

As a result, two new M.Sc. programmes in Airlines, Tourism & Hospitality Management and Service Industry Management, respectively will be introduced. The M.Sc. (IT) Programme is already existing for PGDCA.

If approved, the same could be implemented from 2005 – 06 and accordingly the present one year postgraduate programmes would be phased out. Also, the formulation of fee structure for the courses could be referred to the committee constituted under item No. 20.7.

MINUTES OF THE 19TH MEETING OF THE ACADEMIC COUNCIL HELD ON 26TH DECEMBER, 2004 AT 11:30 HRS IN THE PREMISES OF SRI SUKHMANI INSTITUTE OF ENGINEERING & TECHNOLOGY, DERA BASSI

The meeting was chaired by Dr. S.K. Salwan, Vice-Chancellor, PTU. The members as detailed in Appendix – A attended the meeting.

The Vice Chancellor in his welcome address conveyed, to the members and their families, his best wishes for the year 2005. He mentioned that WTO would be effective from 1st Jan. 2005. The agreement recognizes education as service industry. He invited all the members to be ready for the coming challenges. The Indian education is already known for its quality, and high end content. These must be improved upon. The University curriculum is versatile and updated regularly. This way we are able to cater to the needs of the industry. In the light of WTO, our market for placement is now global. Even though, WTO considers education as service industry, our primary aim is that of imparting effective knowledge. He outlined the importance of knowledge economy.

The new year is likely to pose challenges for the academicians and to sustain our reputation and standing, the members of the Council must take innovative action and prove themselves. The University had taken initiative to monitor the academic performance of the students and was in the process of conducting academic audit. He called for fruitful participation of the colleges in aiming at higher standards of technical education. The new regulations were in force and there was overall stability in the University system.

The chairman welcomed the following members to the Council:

1. Dr. V.K. Arora
2. Dr. P.S. Bhatia
3. Prof. I.J.S. Bakshi
4. Dr. Ravi Khanna) Rejoined in
5. Dr. D.S. Grewal) new assignment

The Registrar briefed on the admissions for the year 2004-05. Various institutes had shown a casual attitude as far as furnishing the information concerning admission was considered. The Vice Chancellor pointed out that dates set by the University must be respected and in no case any extension will be granted.

Dean(Exam) briefed the Council on the ongoing examination (odd semester-regular). He brought out certain difficulties in conduct of the examination. The Vice Chancellor apprised the members that examination was the responsibility of one and all, and that every effort must be made to ensure that the examinations are conducted fairly and in time. Examination duty is an essential University duty and all staff of the affiliated colleges/exam Centers was duty bound to perform such duties as assigned by the Dean (Exam) or Controller of Exam at the center(college). The Chairman desired that results should be declared within two months of completion of the exam. This, however, was not possible without guidance and indulgence of academic members.

Thereafter, the regular agenda for the meeting was taken:

Item No.	Agenda	Decision	Action taken
19.1	To confirm the minutes of the 18th meeting of the Academic Council.	The Registrar informed the Council that no comments on the minutes of 18th meeting of the Academic Council had been received. The minutes were approved by the Council	
19.2	To report Academic Regulations-2004 – Clarifications and directions of the BOG.	The Vice Chancellor informed the Council that the BOG had not accepted any changes in the criteria of the attendance and regulations as reproduced in the Agenda had been accepted. It was thus clear that every student would have to maintain 75% attendance in each subject. He/she would be eligible to be promoted to the next semester only after obtaining minimum attendance in each subject independently and separately. However, it was felt that the promotion policy at section 6.2 is required to be reviewed in the light of the above. The implications of the same shall be looked into by a Committee comprising of: a. Dr.Siby John, Dean (Acad.) b. Prof.K.S Klair, Dean(R&C) c. Dr.D.S Hira, Principal, BBSCET d. Dr.R.P Singh, Principal, GNDEC	Committee
19.3	The action taken report of the committees constituted in the 18th Academic Council.	The minutes of the Committees constituted by the Academic Council in its 18th meeting and reproduced at Annexure-II of the Agenda were discussed. Regarding rationalization of internal assessment the following suggestions were made: i. Internal Assessment may include evaluation through projects and seminars also. The system of evaluation must incorporate quality of class participation. ii. Pragmatic and discipline based system of assessment. The system must be flexible and implementable. iii. There was a need to incorporate a normalizing committee at the college level which must ensure that the internal assessment is broad based (65-75%) & the class average is of 70% with the highest score not exceeding 90%. After a detailed discussion the item was deferred as no clear consensus could be arrived at. It was observed that the current break-up of sessional awards would not suit the following: B.Pharmacy B.Arch. MBA MCA	Dean (Acad)
19.4	To consider the proposed Academic Calendar for 2005	The Council approved the Academic Calendar for the year 2005 as circulated. It was informed that MST dates were indicative only. Common dates enable better co-ordination of activities. However, each college could incorporate minor variations to suit local requirement.	Registrar Dean(Acad)

5

19.5	To consider the change in nomenclature of Electrical Engineering(EE)to Electrical & Electronics Engineering (EEE).	After discussion, the item was deferred.	Dean (Acad)
19.6	To consider the B.Tech 3rd semester onward syllabi for the students of 2004 batch.	Accepted	Dean(Acad)
19.7	To consider appointment of Curriculum Review Committee.	The Council accepted formation of the following Committees in principle: a) Engineering Committee b) Management Committee c) Committee for Architecture d) Committee for Pharmacy The members considered a few names for nomination to the Committee. It was felt that some additional names could come up later. The Chairman decided that the members may come up with their recommendations of the Committee nominees within 15 days of the meeting. All recommendations must be forwarded to Dean (Acad). The Council authorized the VC to appoint the Committees.	Dean(Acad)
19.8	To consider revised syllabi for B.Tech-1QM.	The Council authorized the VC to constitute the following Sub-committee for review of the recommendations of the Board of Studies. i. Dr.H.S.Sagar, Principal, SBSSCE&T ii. Dr.Sehjpal,GNDEC Based on the study, analysis and recommendations made by the Sub-committee, the curriculum as presented to the Academic Council may be modified. The Council also authorized the VC to take the final decision on the basis of recommendations made by the Committee.	Registrar Dean (Acad.) Dr.H.S.Sagar Dr.Sehjpal
19.9	To consider the recommendation to treat examination related duties as essential duties.	The Vice Chancellor mentioned that this had been discussed earlier in the meeting. The Council members affirmed their support to the University. It was decided that the staff detailed in exam duty would be made available for such duty by the college.	
19.10	To consider the proposed amendments in the rules of re-evaluation.	The Academic Council deliberated on the issue and made the following recommendations for approval of the BOG. a) If the difference between the original award and award on re-evaluation is up to 25%, the higher of the two shall be awarded. b) If the difference between the original award and the award on re-evaluation is more than 25%, a second evaluator is to be appointed and higher of the two nearest awards shall be awarded	
19.11	To consider DEP courses in affiliated regular colleges	A lot of deliberations took place on the issue of running courses of Distance Education Programme (DEP) in regular mode in the affiliated colleges. The Council made the following recommendations: a. The DEP courses which have been permitted to be conducted in the regular mode of education also in specific colleges may be permitted to be continued. b. Applications may be invited from additional colleges that would like to conduct the above mentioned course. c. VC may appoint a Committee that would review additional courses of DEP which could be undertaken by the regular colleges.	Dean(Acad)

No.	Agenda	Deliberation/Decision	Action
19.12	To consider transfer of students from Regular Mode to Distance Education Mode within the university.	The Council deliberated on the issue. The proposal was not accepted by the Council	
19.13	To consider the establishment of University Regional Centers in Pharmacy and Architecture	The Council felt that there was a need to establish Regional Centres in Pharmacy as well as in Architecture. The Council recommended to the University to start the same. It was felt that these Regional Centres should be monitored by the Committees appointed under item 19.7. There was no need for establishing Regional Centres in Management. The Regional Centres Co-ordination Committee/respective Council shall work out the details of implementation.	Dean (P&D)
19.14	To consider the report of the sub-committee on revision of fee for BBA / BCA	May be referred to the Govt for consideration and approval.	Dean (Acad.)
19.15	To announce the 3rd University Convocation.	The Council accepted holding of 3rd University Convocation at Mohali in the week starting 14th February, 2005 as per availability of H.E. Chancellor and Chief Guest. The Council authorized Dean(Exam) to prepare and put up honours roll to the VC. The Council also authorized the VC to issue the honours roll on behalf of the Council. As per University Act, Section 13(1)(3) and Section 15 (2)(3), Dean of Faculties/principals of affiliated colleges are the members of the Academic Council and going by precedence followed in the University, the award of the degrees is made by the Chancellor in the presence of the concerned Dean, who presents the students for such award. Since PTU is an affiliating University, faculties do not form part of the University. However, teaching faculty is available in affiliated colleges. The Council recommended the following criteria for nomination of Dean(Faculties); I. Date of joining as Principal and continuous service within PTU system should be taken as the main criteria for nomination of Dean. II. Each Dean shall serve for a period not more than two consecutive Convocations. The members of the Council pointed out that the criteria may be that of continuous service within the PTU system. The Council also accepted a short break of up to 15 days between any two subsequent similar appointments. Based on the above criteria, the Council nominated the following principals as Dean(Faculty) for the Calendar year 2005. 1. Dean-Engg.: Dr.R.P. Singh, Principal, GNDEC 2. Dean-Mgt. : Dr.D.R Singh, Principal,LLMIMT	Registrar
19.16	To consider awarding Honoris Causa Degree	The issue of award of Honoris Causa, PhD degree in Engineering to Lord Swraj Paul, Chairman of Caparo group, U.K was discussed. In view of the achievements of Lord Swraj Paul and his services & contribution to the engineering sciences/technology, Lord Swraj Paul, an eminent industrialist, the Council accepted and recommended that Lord Swraj Paul be awarded the PhD (Honoris Causa)	Registrar
19.17	Requisition Agenda i. To consider students of Chandigarh in 85% quota.	The issue of considering students of Chandigarh in 85% quota of Punjab was deliberated and it was felt that since the students of Chandigarh are generally claiming residents of UT hence it would not be advisable to recommend to the Government such students as residents of Punjab. Wards of employees of the	

	State and Central Govts. engaged in affairs of Punjab, even though resident of Chandigarh (UT) were eligible to be considered as resident of Punjab and hence eligible for 85% quota seats. Hence the recommendations made in this item was not accepted by the Council.	
ii. To consider new courses for regular Management, Engineering, Pharmacy institutes affiliated to the University.	The item was deferred for further input.	
iii. To consider sports, cultural & other co-curricula activities.	It was felt that there is no provision for grant of duty leave to the students attending University level training camps and participating on behalf of the University. Hence all students who are on such duties are to be considered on duty. Dean (Acad) is to issue necessary instructions clarifying implementation of the regulations.	Dean (Acad)
iv. To consider NCC/NSS & other co-curricular activities.	After deliberations, it was felt by the Council that there was a need to have an overall development among the students and hence, those students who participated in larger number of activities should be able to earn higher award. The proposal as given in the Agenda points hence was dropped.	

Since there was no item, the meeting came to an end with a vote of thank to the chair.

RECOMMENDATIONS OF THE COMMITTEE CONSTITUTED TO CONSIDER THE ATTENDANCE RULES OF THE ACADEMIC REGULATIONS – 2004

1. The attendance should be calculated on the basis of scheduled lecturers and not on the basis of periods delivered.

2. As the attendance is to be considered for each course individually and separately, clause 3.2.1(iv) *"Provided that no candidate shall be eligible to appear in higher semester examination unless he has already fulfilled attendance requirement in the immediately lower semester"* need to be amended and course-wise eligibility to appear in the examination is recommended.

3. Conditions for promotion at Clause 6.2 of the Academic Regulations –2004,

   "A student who has been detained due to shortage of attendance shall not be allowed to be promoted to the next semester and he / she shall be required to take re-admission and repeat all courses in the to said semester along with the new batch of students with payment of full fees." be amended as,

   "a candidate detained from appearing in the examination of a course due to shortage of attendance will repeat the course of study only when that is offered as a regular course." However, the total number of courses, a student can take in any semester is to be limited & finalized.

4. The clause 7.1 stipulating maximum duration of study for completing the Programme should be amended and the Programme should be open-ended. The student has to take the re-examination as per the syllabus and scheme in-force at that time.

5. In the light of the amendments of Academic Regulations – 2004, it is recommended that change of option could be allowed and to accept the affidavits filed after the due date with a fixed deadline.

OFFICE ORDER

The Vice Chancellor, PTU is pleased to constitute Engineering, Management & Architecture Council with the following members:

Engineering, Management & Architecture Council

1. Dr. A.S. Bains, outstanding Scientist, **Chairman**
   23-A, Vikas Logh.
   New Sahastradhara Road, Dehradun-248001

2. Prof. P.R. Mehta
   President, Council of Architecture
   Core 6-A, 3rd Floor, India Habitat Centre
   New Delhi

3. Dr. T.S. Kamal
   H.No.-1005, Sector-42 B,
   Chandigarh.

4. Dr. Prem Vashist
   Director, Delhi School of Economics

5. Prof. A.K. Khare
   Pro-Vice Chancellor
   U.P. Technical University, IET Campus, Sitapur Road
   Lucknow

6. Dr. H.S. Sagar
   Principal
   Sant Baba Bhag Singh College of Engg. & Tech.
   Padhiana, Jalandhar

7. Prof. K.K. Uppal
   Prof. of Management, University Business School
   Punjab University
