40.17 Agenda point as received from different colleges.

Name of College	Agenda
Rayat- Bahra, Hoshiarpur Campus	1. Migration of students: the university issued a notification unilaterally for migration of students without getting No

5

Objection Certificate from the concerned Institutions, thus favouring some institutions and unfavouring the other.

Policy needs to be clarified with regard to the following:

i. Migration of students of a branch/ programme from Institutions where all seats were filled up during the corresponding admissions in the first year. (Explanation: A student migrating from such programmes of institutes in the 2nd year implies the denying of seat in the parent institution to some other students who was in the waiting for admission. This also involves direct financial loss to the institution, for remaining period of the programme.)

ii. Migration of students into the institutions where they could not get admission in the first year. (Explanation: Institutions which filled all seats in a branch/ programme in the first year, issued No Objection Certificate to the large number of students to fill seats falling vacant during the years. When the admission to a institute are on merit and such migration is to be allowed then the seats should be thrown open publicity so that the students who are next in the merit at the time of admission gave the first choice. No objection Certificate given by such institutions do not confirm whether there is any merit list prepared before issuing no objection certificate.

iii. The migration of students from branches in institutions where all seats are not full during the first year. (Explanation: Only the migration from such institutions seems to be in order as these institutions have vacant seats at the time of admissions. This migration of the students result in the financial loss to the institution but does not deny seats to any other potential candidates.

iv. What is the maximum number of migration allowed from a single institution?

v. What is the maximum number of migrations that may be allowed to one single institution?

vi. What should be the acceptable reasons of migration and their procedure of verification?

A clear policy of migration needs to be decided especially when the number of vacant seats in increasing day by day.

2. Teaching of Human Values and Professional Ethics: As per the Boards of Studies guidelines, the HYPE 101 shall be run in Punjabi Language from the session 2012-13.

Even the present teaching faculty trained by PTU finds it difficult and shows resistance for teaching of the paper in Punjabi.

It is suggested that let the teachers teach & students study

	the subject best in the language they both understand. The books (same) be made available in all the three languages i.e. English, Punjabi and Hindi. Question papers be set in all the three languages. Let students attempt the paper in any language (pre-informed) convenient to them.
SBBSIET	1. Standardization of evaluation of Answer Sheets: The key of the question =apers should also be prepared by the paper setter which may be sent to the=Head Examiners. 2. The revival of the university Merit List.
PIMT Mandi Gobindgarh	**Language option of HVPE subject.** There is a problem in the language option of HVPE subject for the students of Punjab who have studied from ICSE and CBSE board through convent schools, they are not well versed in Punjabi and they are finding a difficulty in attempting the paper in Punjabi language.
IET, Bhaddal	For School of Engineering and Technology:- 1. Degree of B.Tech in Electrical and Electronics Engineering is same as B.Tech in Electrical Engineering: There is no separate syllabus prescribed by the university for B.Tech in Electrical and Electronics Engineering (EEE) and the syllabus followed for the programme EEE is same as that B.Tech in Electrical Engineering. Even the date sheet and the question papers made available by PTU-Jalandhar are the same for both programmes. In view of above it is requested that it may be placed in Academic Council Meeting to consider and resolve that the degree of B.Tech in Electrical and Electronics Engineering is the same as B.Tech in Electrical Engineering, awarded by PTU-Jalandhar. 2. Academic Audit: The University should conduct Academic Audit so as to enhance the Academic standard of courses offered to the students. An independent item may be placed to Academic Council Meeting for consideration. 3. Admissions: The institutes (SFTI's) feel concerned about bad response of students through online counselling scheduled by PTU-Jalandhar. The University may address this issue urgently to improve status of admission of B.Tech programmes. 4. Merging of EEE and EIE syllabi: Identically same syllabi and teaching schemes are uploaded for EEE (EE) and EIE-programmes. This needs clarification as some errors are committed by merging syllabi of both programmes. 5. Duration of B. Arch. Course: Private universities in state has adopted suggested duration for B. Arch. Course as 4 years + 1 year Practical Training as last 1 year. PTU approved duration is 4 and 1/2 year + 6 months practical training in 7th semester. PTU academic council may decide after inviting suggestions from affiliated colleges of

Architecture and in consultation with Ministry of HRD who is competent to notify any recommendation from the Council of Architecture in this respect.

For School of Architecture:-

6. M. Arch. Course by PTU: PTU is intending to initiate Master Degree course in Architecture: Course syllabus is to be finalized. Academic council may constitute a committee of Directors of affiliated colleges, prominent private practioners, Professor Emeritus from countries best institutes like SPA New Delhi, IIT Kharagpur and CEPT Ahmedabad.

7. QIP programmes of PTU for faculty of Architecture: Academic council may in consultation with Ministry of HRS, govt. of India, COA, New Delhi may formulate special courses which may have equivalency to Masters in Architecture/Doctorate in Architecture to overcome shortage of qualified staff. This may not be a degree but after completion of this course can be treated equal for the purpose of employment only. COA, New Delhi has already given such equivalencies recently.

8. Discrepancies/Non-declaration of PTU Results within time frame: Academic council may further consider strong measures for streamlining already established procedure of declaration of results in time (Dec, 2011, result of 1st & 3rd semester regular/re-appear not declared yet, 2nd, 4th, 6th regular May, 2012 results not declared) . Internal awards uploaded by colleges are not incorporated causing academic loss to the students and harassment.

9. Revision of List of paper setters/examiners: Process may be revised for effectiveness.

RIMT College of Architecture, Mandi Gobindgarh	1. As per suggestion of council of Architecture that entire final year is devoted to practical training should be considered as this has already been adopted by some other universities. 2. Ar. G.C. Aggarwal will represent our college and it is requested that he may be considered as member of the academic council.
PCTE Group of Institutes, Ludhiana	1. It has been observed that despite the best efforts by the teacher there is always a possibility that in rare cases there is an error in filling up the awards list of internal marks sent to the University. Since any error in the marks affects the students carrier it is imperative that there is an effective procedure to handle such cases. 2. At present there is not rule in the University to handle such cases.

40.18 Any other item with the permission of the Vice-Chancellor.

Item No.S-39.3

To start a new course M. Phil & Ph.D in Journalism and Mass Communication at PTU, Kapurthala campus from next academic year (2012-13)

It was informed that Media industry is one of the most flourishing fields globally and along with proliferation of media houses, the world has also seen an increasing demand for media education to provide trained human resource and manpower for this profession. There is no course for those who wish to improve their research skills before going headlong for research and academics by acquiring specialization in their chosen field. PTU has always stood by its objective of promoting research. Introduction of regular courses like One year M. Phil. (Journalism and Mass Communication) is much needed initiative. To promote media research in Punjab and to strengthen it across the nation, PTU has proposed the following programme in Journalism and Mass Communication:

M. Phil. in Journalism and Mass Communication (1 Year)
Ph.D in Journalism and Mass Communication

The course is proposed to be designed, keeping in mind the demands of many media houses and other agencies who are on a look out for trained media researchers.

Amendments in the PTU's Ph.D regulations of 2010.

S.No.	Exiting regulations	Proposed amendments	Remarks
1	Eligibility condition: A candidate seeking enrolment must satisfy the following academic criteria: Masters degree in the concerned/allied subject with 60% marks at Masters Level or CGPA of 6.75 on 10 points scale or equivalent or M.Phil./M.Litt. Degree with **B+ Grade** or equivalent in case of applied sciences.	Eligibility condition: Candidate who have scored at least **55% marks**(without rounding off) in Master's degree or equivalent examination from universities/institutions recognized by UGC in Humanities (including languages) and social sciences, computer science & applications, electronic science etc are eligible for this test. The Scheduled caste(SC)/Scheduled Tribe(ST)/Physically handicapped(PH)/Visually Handicapped(VH) category candidates who have secured at least **50 % marks**(without rounding off) in Master's degree or equivalent examination are eligible for this test.	UGC's Eligibility criteria for admission in Ph.D. programs through NET is being implemented.
2	The inter-se merit of candidates appeared in test will be made on the basis of merit calculated as per the following criteria: Weightage to marks in Master's/M. Phil programme : 40% Weightage to marks in entrance test : 40% Weightage to interview: 20%	**The numbers of candidates who will be called for interview will double the number of seats available for admission.** The inter-se merit of candidates declared eligible for interview will be made on the basis of merit calculated as per the following criteria: Weightage to marks in Master's/M. Phil programme : 40% Weightage to marks in entrance test : 40% Weightage to interview: 20% The merit list of the candidate belonging to Scheduled caste (SC)/Scheduled Tribe(ST)/Physically	As per UGC regulations Ph.D entrance test can be conducted only for pre-announced number of slots available for admission. As per UGC regulation the choice of student and supervisor must be regulated by the university and cannot be left to candidate and supervisor.

		handicapped(PH)/Visually Handicapped(VH) (as per state reservation policy) shall be prepared separately. The qualifying marks for reserved categories shall be 35% in entrance test.	
3	III-B(iv) **"Course contents for the test will be based on the fundamental and subjective aspects of the concerned discipline."**	**Syllabus for Ph.D. entrance test will be based on syllabus content defined by University Grants Commission for NET (UGC). Subjects (Engineering) for which UGC do not conduct the NET, GATE/GPAT syllabus may be followed.**	The content of each discipline is very vast and needs to be defined for the benefit of students to prepare for entrance and experts to set question papers of uniform difficulty level.
4	III-B(v) Candidates, who have already cleared UGC/CSIR Exam/SLET/GATE, will be exempted from entrance test and preference will be given to them for admission. The inter-se merit of such candidates will be determined by their score in UGC/CSIR Exam/SLET/GATE	Apart from exiting III-B(v) clause of the Ph.D. regulation, Candidates, who have qualified UGC/CSIR Exam/GATE and are eligible for research fellowship can join Ph.D. program any time throughout the year subject to availability of the Ph.D. vacancy and approval of the Supervisor. However, course work allotment will be as per existing Ph.D. norms.	Candidates, who have qualified UGC/CSIR Exam/GATE and are eligible for research fellowship, are allowed to join Ph.D. program in all universities any time. The offer of the research fellowship is valid for the limited duration.
5	At present student is allotted one of M.Tech paper for his/her Ph.D. Course work along with course on research methodology. This practice is followed in Engineering, Pharmacy and management. In applied sciences, the syllabus proposed by supervisors is approved for	After implementation of the UGC's Ph.D. guidelines of 2009 in PTU's Ph.D. program with course work from 2010. Now, there is a need for strengthening the course work implementation. For further improving the quality of the research work, the course work may be standardized for each discipline. The candidates may be asked to select course work only from the list of approved subjects for the course work.	At present candidate reads his/her M.Tech paper again as one of Ph.D. course subject. In sciences, there is no standard course adopted by university and are

RAC will propose list of subjects with contents for Ph.D course work in each discipline.	decided on case to case basis. There is an urgent need for streamlining the course work contents to match world standard in research.
6	There are common regulations for all faculties. New faculties have been approved by academic council and BOG for the award of Ph.D. degree	Separate regulations may be formulated in each faculty i.e Engineering & sciences, Management, Pharmacy, Human values, Applied arts, Languages etc.	In each faculty there are different bench marks for assessing quality of the research work and minimum eligibility conditions.
7.	At present Ph.D students in Applied Sciences study their main course subject with supervisor because PTU do not offer any master courses in the applied science in affiliated/regional centers.	Ph.D course work in Applied Sciences (Physics, Chemistry, Mathematics and Environmental Sciences) and Journalism and Mass Communication may be started in PTU campus along with M.Phil students on regular basis.	• The option of self study in Ph.D course work may result in ineffective learning. • This result in large number of subjects for examination and contents proposed are not standardized and dilutes the purpose of the Ph.D course work. • The option of self study is not in accordance with the UGC guidelines for Ph.D course work.
8.	The minimum period required for submission of thesis is two and half years and maximum period is five years and for this purpose, the period shall be counted from the date of issue of enrollment letter. However, after five	The minimum period required for submission of thesis may be 3 years and maximum period of five years from the issue of enrollment letter.	•

Dear Sir,

Khadi and Village Industries Commission (KVIC) is a statutory body created by an Act of Parliament (No.61 of 1956 and as amended by Act No. 12 of 1987 and Act. No. 10 of 2006). Established in April, 1957, it took over the work of the former All India Khadi and Village Industries Board. It functions under the administrative control of the Ministry of Micro, Small and Medium Enterprises, Govt. of India.

2. The broad objectives of KVIC are; The social objective of providing employment, the economic objective of producing saleable articles and the wider objective of creating self-reliance amongst the people and building up of a strong rural community spirit.

3. KVIC is promoting growth and development of Khadi and village Industries and its products, in cooperation with State Governments and other stake holders by providing support to existing entrepreneurs and encouraging creating of new enterprises.

4. It gives me pleasure to inform you that RSTM Nagpur University, has recently introduced "Bachelor Course in Khadi Production & Design" a three years full time degree course recognized by Ministry of Higher Technical Education, Govt. of Maharashtra and UGC. The entry point qualification is 12th Pass in any stream and the medium of instruction shall be in English, Hindi and Marathi.

5. Since this is a unique maiden venture for introducing khadi production and design as a professional academic course it would be our earnest endeavor to promote and introduce such courses in other Universities as well.

6. The copy of literature on the subject is enclosed with a request to kindly look into the matter and explore the possibilities for propagating khadi courses through various Universities functioning in the state.

with Warmest Regards,

Yours Sincerely,

(D. C. Pattanayak)
