Sub: Regarding Tata Consultancy Services Ltd. Contest EngiNX for Engineering Graduates of batch 2022 & 2023.

Sir/Madam

Tata Consultancy Services (TCS) is organising a Contest EngiNX for students passing out in the year 2022 & 2023. EngiNX is an Engineering Innovation contest from TCS – Engineering and Industrial Services & Internet of Things Business Unit. Other than exciting prizes there will Internship opportunities for 2023 batch and chances of getting Pre Placement offers through this contest for the students of batch 2022. (Contest poster is attached).

There is an exemption from the eligibility criteria (above 60 percent in class 10th, 12th, graduation and Post- graduation (if applicable)) i.e. students with less than 60 percent in academics, having backlogs and gap of more than 2 years in the education can also apply. Extended Education in the highest qualification is not allowed i.e. students should be completing highest qualification within the stipulated duration mentioned by the College/ University. Engineering (B.E/B.Tech/M.E/M.Tech) Students with any specialization can take benefits of this opportunity.

Each team shall comprise of 3 members only from the same institute. Team shall be cross functional having members from different engineering departments.
