Sub: **Infosys Certificate Program for 2021 on InfyTQ.**

Sir/Madam

Infosys Certification is a technology accreditation that endorses the industry-readiness of students so that they can build a career of their choice. The examination process for Infosys Certification will test students for their knowledge in programming and databases. Students who clear the examination will become an 'Infosys Certified Software Programmer' and receive an interview opportunity for **Systems Engineer** role at Infosys. This will also open up opportunities for them to be further assessed for our **Systems Engineer Specialist** and **Power Programmer** roles.

Overview of Infosys Certification program for students graduating in 2022 is given below:

- Students first create an InfyTQ account.
- Eligible students register for Infosys Certification under 'Programs'.
- Registered students book a test slot.
- Students also select the preferred programming language (Java/Python).
- Students take this test in the selected programming language.
- Students who score 65% and above in this round receive the certificate of becoming an "Infosys Certified Software Programmer" and an Interview opportunity for System Engineer role.
- Optional round for Infosys Certified Programmers.
- Students who clear this round will get a PPI for Power Programmer and Systems Engineer Specialist roles.

Ref. No. IKGPTU/CRA/ 16

Dated 12/03/2021

Students of B.E., B.Tech, M.E., M.Tech, M.Sc., MCA and MCM graduating in 2022 are eligible for Infosys Certification. The last date to register is Sunday, March 28, 2021.

Following are the Tentative dates for the Rounds:

Registration : By March 28, 2021
Qualifying Round : April 02-03, 2021
Final Round : April 18 and 19, 2021
Advantage Round : May 05,07,09 ,2021

For more details students may visit Infosys Certification page and its FAQs on InfyTQ.

Important points to note:

- All the rounds of Infosys Certification examination will be Web-proctored online tests
- Slots for the Qualifying Round and the Final Round will be available on first come, first serve basis
- Programming language (Java/Python) selected at the time of booking a test slot for the Qualifying Round will remain the same for the Final Round as well
- It is advised to complete the recommended learning journey for Infosys Certification before taking the examination
- Certified students can participate in the Advantage Round in order to secure a pre-placement interview (PPI) opportunity for the Power Programmer and Systems Engineer Specialist roles
- Certified students who opt to appear in the Advantage Round and do not clear it will continue to have the behavioral interview opportunity for Systems Engineer role
- If a student who has registered for both HackWithInfy and Infosys Certification, opts to appear in Infosys Certification Advantage Round, then the student's performance in the Advantage Round will be considered to determine their selection for HackWithInfy Final Round.
