31/7/2018

The Board took the agenda and following decisions were taken

The members deliberated and agreed on the adoption of scheme and syllabi presented for M.Tech-CSE specialization in Cyber security 2018 onwards, based on the base model proposed by AICTE. The evaluation criteria was finalised along with course codes. The board also deliberated on the detailed syllabus of First Semester and finalised the same. The Scheme and syllabi for the First Semester is submitted along.

After deliberations, consent was achieved on the adoption of scheme presented for B.tech (Information Technology) 2018 onwards, based on the model proposed by AICTE. The evaluation criteria was finalised along with course codes. The board also deliberated on the inclusion of 6-8 week industrial training after the sixth semester and included the same in the scheme. The complete Scheme is submitted along.

The Revised scheme of M.Tech(Big Data Analytics), 2016 was approved, considering that the DMCs for the earlier semesters were already released to the students and students should not face problem in their final degree results.

The members discussed the mapping between the courses offered through Swayam and institutions' curriculum and suggested that the feedback from other institutes should be sought to understand the current status of its implementation. Details will be hence, taken up in next BoS.

The meeting ended with a vote of thanks.
