Sub: L&T Technology Services - TECHgium 6th Edition - Global Innovation Challenge.

Dear Sir

L&T Technology Services is going to organize TECHgium 6th Edition - Global Innovation Challenge as per the below mentioned details:-

TECHgium® provides a platform for:-

- Students to engage on real-world industry use cases and challenges to come up with solutions and taking a step towards industry readiness
- For institutes and faculty to engage with industry challenge statements along with the students and thereby taking steps towards bridging gap between industry and academia
- Top 3 winning teams take away prizes worth 18Lakhs.

The below is the process for TECHgium registration and participation:-

Stage1:

Step 1: Student registration

- Unique Institute Code:- PBKAPE6057503
- Students (pre-final and final year of their engineering degree) register on the portal and use the unique institute id to complete their respective registration

Step 2: Challenge Statement selection by students and concept submission

- Students view the challenge statements available on TECHgium portal. Any queries can also be submitted through the portal.
- Students submit concept note against selected challenge statement on the portal.
- Students have the option to invite faculty from their institutes as mentor who can guide them through this journey.

Shortlisted students move to Stage 2

Stage 2:

Step 3: Full Technical Paper

- Students work on technical paper/presentation around the concept suggested by them in stage1.
- Shortlisted students are invited for presentation to a Jury identified by LTTS
