Dear Students!

I pleasantly welcome you to IK Gujral Punjab Technical University (IKGPTU). It is a matter of huge pride that since its foundation, our university has upheld its rich tradition of providing practical, experiential-based technical education. I deem it my privilege and moment of gratification to congratulate and welcome a fresh batch of young scholars who have chosen IKGPTU, its campuses, or affiliated colleges as a confederate in chasing their objectives in life.

Higher education in India is undergoing a notable transformation. Being an autonomous university, IKGPTU has revamped the curriculum and implemented major changes in its curriculum delivery to a very large extent. All our undergraduate, postgraduate, and research programs prepare our students to become leaders with the moral depth and academic strength necessary to meet the challenges of a time of critical transition in society.

In the past few years, the emphasis of the apex regulatory bodies of education including AICTE, COA, PCI and UGC, has been on Outcome Based Education (OBE). IKGPTU has successfully employed Outcome Based Education throughout its curriculum and believes in the continuous improvement of its academic endeavours. Keeping in view the demands of globalization, engineering students are required to gain knowledge of subjects from other branches and some advanced subjects of their respective branches in which they are pursuing their degrees. The initiative of Minor and Major degree in its engineering programs is one of many praiseworthy steps of the Department of Academics of IKGPTU.

**World Wetlands Day:** NSS wing of IK Gujral Punjab Technical University (IKGPTU) in association with Shiksha Sanskriti Uthan Nyas (SSUN), New Delhi observed World Wetlands Day 2022. The theme for this year's World Wetlands Day was "Wetlands Action for People & Nature" highlighting the importance of the actions required to conserve and sustainable use of wetlands for humans and planetary health. This year's celebration of World Wetlands Day was especially significant — as on 30 August 2021 the

UN General Assembly adopted a resolution that established February 2 as World Wetlands Day — inviting all 193 UN member states to observe the day, opening the door for greater global visibility for wetlands.

The NSS wing of IKGPTU organised a webinar to generate the awareness about importance as well as functions & values of wetlands. About 358 participants including students, teachers, researchers and members of civil society representing 13 teaching & research institutions along with NGO's participated in the webinar organized on 2nd February, 2022. Dr. Chander Parkash, a wetland scientist from Department of the Chemical Sciences, delivered a presentation on this year's theme and apprised the students and volunteers about the status of wetlands in the Punjab and at the National level. He gave information that this year two wetlands i.e. Khajidia wetland in Great Rann of Kutch and Bakhira wildlife sanctuary in Uttar Pradesh got the status of Ramsar sites (Wetlands of international Importance). He emphasized that wetlands play many roles in our lives. Many of us are those, whose livelihoods are dependent upon wetlands and there are socio-economic, cultural, environmental and health based aspects of our lives that are attached to the wetlands. Therefore, in order to understand the importance of the wetlands, we need to consider all these aspects in wholesome, then only we can play an important role in the conservation of wetlands. He further delivered the overriding message behind this year's campaign is to Value, Manage, Restore, and of course — Love — Wetlands, because if we are to inspire action, we also must ignite greater empathy for these rapidly disappearing ecosystems. He mentioned Ramsar Bureau at Gland, Switzerland has reported that nearly 90% of the world's wetlands have been degraded since the 1700s, and we are losing wetlands three times faster than forests. Yet, wetlands are critically important ecosystems that contribute to biodiversity, climate mitigation and adaptation, freshwater availability, world economies and more. It is urgent that we raise national and global awareness about wetlands in order to reverse their rapid loss and encourage actions to conserve and restore them. World Wetlands Day is the ideal time to increase people's understanding of these critically important ecosystems.

At the end of the talk, a Q&A session was organized where many participants asked questions based on role of students, govt. and policy makers as well as teaching institutions in conservationed wetlands.

Under Secretary  
Department of Technical Education &  
Industrial Training, Punjab

**A. Sports Persons:**

Joint Secretary Sports apprised that the Sports Department had already adopted a comprehensive policy regarding gradation of sports certificates. He clarified that the objective was to give preference to "A" category over "B" category, even if the marks obtained by the "A" category sportsmen was lower than those of "B" category sportsmen. He stated that if this were not done, the very objective of gradation would be defeated, and international level sportspersons would be clubbed with those who had represented only at the district level. He also clarified that even within the same category of sports certificates, preference had to be given to winners and runners up etc., and the policy instructions were comprehensive code in this regard. Only when the tie was not broken on the basis of these comprehensive sports gradation guidelines, the University/colleges take recourse to the marks/rank in the entrance exam to break the tie.

The policy of the Sports Department which already has the approval of the Government, was found to be fair just and reasonable and it was, accordingly, decided that action may be taken exactly in accordance with the **Punjab Government, Department of Sports and Youth Services, letter No.47/26/83-5Edu/2036, dated 10<sup>th</sup>December, 1997**. It was also decided that a copy of these instructions may be appended to and circulated along with the minutes of this meeting.

**B. Disabled Persons:**

The Principal Secretary Social Security explained that unlike in case sportspersons, no preferential treatment could be given to a person with higher percentage disability. She explained that a person was certified to be handicapped, provided his disability was 40% or more. As such, she proposed that all the handicapped persons having disability of 40% or more, in the respective sub-category (i.e. blind, deaf and dumb etc.), should be regarded as at par and their *inter se* gradation should be effected in accordance with the rank in the entrance examination. The proposal of the Principal Secretary Social Security was agreed and approved unanimously.

**C. Children/Widows of Defence Personnel/Ex-servicemen etc.:**

This matter was discussed threadbare. It was felt that the children, wards and winners of gallantry awards should be given over-riding preference over children/widows of the ordinary Defence Personnel/Ex-Servicemen. It was also felt that the children/wards of the posthumous awardees of the particular award should get precedence over other awardees of the same category.

It was, accordingly, decided that in this category of reservation of 2%, the following would be the priority, each higher sub-category being preferred to the exclusion of the lower ones:-

- (1) Gallantry awards winners in the following order: Param Vir Chakra (PVC), Ashok Chakra(AC), Sarvottam Yudh Seva Medal (SYSM), Maha Vir Chakra (MVC), Kirti Chakra (KC), Uttam Yudh Seva Medal (UYSM), Vir Chakra (VrC), Shaurya Chakra (SC), Yudh Seva Medal (YSM), Sena/ Nau Sena/ Vayu Sena Medal (gallantry only), Mention-in Despatches.
- (2) For the same medal/awards the children/wards of the posthumous awardees, would get preference as compared to those of other awardees of the same category.
- (3) Children/ wards of defence personnel killed or disabled to the extent of 50% or more "**in action**", including cases of Home Guards
- (4) Thereafter, children/widows of Serving Defence Personnel/Ex-Servicemen would be considered. However, the children/widows of personnel getting distinguished service awards such as PVSM, AVSM, VSM and Sena Medal/ Nau Sena medal and Vayu Sena Medal (distinguished service) would get over-riding priority in this sub-category, in the said order. Here also, the children/wards of the posthumous awardees would get preference over the children/wards of the normal awardees of the same category.
- (5) If there is more than one claimant within the same category/sub category as enumerated above, the tie is then to be broken with the assistance of the rank/marks in the entrance test.

In any case, it was decided that the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

**D. Children/Widows of Police/Para Military Forces:**

This item was discussed threadbare. It was felt that the winners of President's Medal for Gallantry and the Police medal for Gallantry by the President need to be given over-riding preference. Similarly, those killed or disabled in action should be given such preference. Accordingly, the special categorization/precedence in this category was adopted as under:-

Children/wards of officers and jawans of Punjab Police, PAP and para-military forces who are:

- (a) (1) Winners of President's Police Medal for Gallantry, including posthumous awardees.

- (2) Winners of the Police Medal for Gallantry, conferred by, the President of India, including posthumous awardees.
  - (3) Killed or disabled to the extent of 50% or more "in action", including cases of Home Guards.
- (b)** (1) Children and wards for serving para-military personnel and ex-para-military personnel.
- (2) Remaining categories, already mentioned in the policy, if any.

In any case, it was decided that the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

It was clarified that the children/ wards of the serving or retired Punjab Police Personnel are not entitled to any reservation under this category. It was also clarified that cases of S.P.O.s, killed and disabled in action, would not be considered in this category but rather in the next following category relating to terrorist-affected/ riot-affected families.

**E. Riot-affected/ terrorist-affected families:**

The matter was discussed threadbare. It was felt that the cases where the bread-winners of a family had died / been disabled to an extent of 100%, should get over-riding precedence. As such, the following categorization was decided to be adopted. Children/wards of persons:

- (1) persons killed in 1984 riots/killed as a result of terrorist violence or killed by the security forces acting in aid of civil authority, including innocent civilians and Army Deserters as well as those of these categories who have been disabled physically to the extent of 100%, in accordance with the policy already in place.
- (2) Persons of the above categories who were disabled to an extent less than 100%.
- (3) All other categories mentioned in the existing policy under this head.

In any case, the higher sub-categories would be preferred, in exclusion to the lower categories as arranged above even when the marks obtained in the entrance test of a candidate of the former category is less than those obtained by a candidate of the lower category. The above proposal was also, accordingly, approved as such.

**F. Children/Grand Children of Freedom Fighters:**

The Principal Secretary Freedom Fighters stated that all Freedom Fighters, "Tamra Patra" holders would be regarded at par. It was accordingly decided that relative gradation within the category may be decided in accordance with the rank/marks in the Entrance Test.

**Any other item with the permission of the Chair:**

(1) The Director Colleges, P.T.U. requested that it would be appropriate if a dead-line was adopted for the date of issue of the certificate in respect of these categories, since the candidates continue to submit certificates right up to the very day of the counseling. It was, accordingly, decided that **only** certificates issued up to the last date of submission of applications forms for the CET to PTU **and** annexed with the application forms would be considered. This decision should be given wide publicity and also included in the prospectus-cum- information brochure to be issued by the PTU.

(2) The Director, Colleges, PTU suggested that it would be appropriate that the relative and *inter se* gradation of the candidates in respect of categories discussed above should be effected at the level of the state headquarter. This proposal was approved and it was also decided that this would be done by a Committee headed by the Secretary Technical Education, having the following other members:

- a. Director, Technical Education (DTE), Punjab (Convenor);
- b. Director/ Additional Secretary/ Joint Secretary of the concerned Department;
- c. Representative of the PTU.

The P.T.U. shall send the particulars of these categories to the DTE after the last date of the receipt of application and also send the marks obtained/ rank obtained by such candidates after declaration of the result. The above committee, after verification and personal counseling, shall send the necessary order of gradation, category-wise to PTU, which shall effect the subsequent counseling / admission in accordance with this order.

The meeting ended with a vote of thanks to the chair.

**23<sup>rd</sup> April, 2007**

**PUBLIC NOTICE**

1. It has come to the notice of the University Grants Commission that Institutions and Universities including institutions Deemed to be Universities are admitting students to various programmes of studies long before the actual starting of the academic session; collecting full fee from the admitted students; and retaining their schools /institutions leaving certificate in original. The Institutions and universities are also reportedly confiscating the fee paid if a student fails to join by such dates.
2. The Commission is of the view that the Institutions / Universities, by way of retaining the certificate in original, force retention of admitted students which limit the opportunities for the candidates from exercising other options of joining other institutions of their choice. However, it would not be permissible for Institutions and Universities to retain the School / Institution Leaving Certificate, mark sheet, caste certificate and other documents in original.
3. The Ministry of Human Resource Development and University Grant Commission have considered the issue and decided that the Institutions and Universities, in the public interest, shall maintain a waiting list of students / candidates. In the event of a student / candidate withdrawing before the starting of course, the waitlisted candidates should be given admission against the vacant seat. The entire fee collected from the student, after a deduction of the processing fee of not more than Rs. 1000/- (one thousand only) shall be refunded and returned by the Institution / University to the student / candidate withdrawing from the programme. Should a student leave after joining the course and if the seat consequently falling vacant has been filled by another candidate by the last date of admission, the Institution must return the fee collected with proportionate deductions of monthly fee and proportionate hostel rent, where applicable.
4. The Universities / Institutions are requested to abide by the instructions issued by the UGC. The UGC shall on its own or on receipt of specific complaints from those affected, take all such steps as may be necessary to enforce these directions.
5. Institutions / Universities are also required to convey these instructions to the college affiliated to them.

**Refund of Fees and Non-Retention of Original Certificates**

October, 2018

**1. Introduction:**

The Commission has notified University Grants Commission (Grievance Redressal) Regulations, 2012 on redressal of multifarious grievances of students. But given the sheer volume of the complaints regarding non-refund of fees and retention of original certificates by Higher Educational Institutions (HEI), the Commission felt the need to notify elaborate instructions so as to curb such malpractices and decided to issue appropriate instructions in the form of this Notification to all universities and other HEIs under the purview of the UGC.

**2. Objective:**

To prohibit coercive and profiteering institutional practices in the matters related to refund of fees in case of withdrawal from the programme and retention of original certificates at the time of and / or after admission.

In exercise of powers conferred by Section 12 (d) read with Section 12(j) of the UGC Act, 1956, the UGC issues this Notification for adoption of standard operating procedures in the matters related to refund of fees in the event of student's withdrawal from the program and non-retention of certificates at the time of admission.

**3. Application and Enforcement**

3.1. The instructions contained in this Notification shall be in supersession to its earlier Public Notice dated 23.04.2007 and its Notification dated 16<sup>th</sup> December, 2016. It shall be applicable to Undergraduate, Postgraduate and Research Programs run by universities included under Section 2 (f) of UGC Act, together with all colleges under their affiliating domain and institutions declared as deemed to be universities under Section 3 of the UGC Act.

3.2 The provisions contained in this Notification shall come into force with immediate effect and shall have regulatory force on extant as well as future grievances over issues and matters covered herein.

**4. Specific provisions for Mandatory compliance by HEIs:**

The Commission herewith lays down specific provisions and consequent mandatory compliance on the issues related to:

- (1) Refund of fees by the institution concerned in the event of the withdrawal from the programme by a student; and
- (2) Verification and non-retention of academic and personal certificates of student;

For any complaint in respect of (1) & (2) above, the grievance redressal mechanism as prescribed under UGC (Grievance Redressal) Regulations, 2012, shall be followed.

As laid down in the Right to Information Act, 2005, and reiterated in the UGC Guidelines on Students' Entitlement, all HEIs shall disclose on their website and prospectus information regarding the status of the institution, its affiliation, accreditation

status, physical assets and amenities, course-wise sanctioned intake of students, various types of fees payable for different programmes, total fees payable for an entire programme, last date of admission, details of faculty, members of governing bodies and minutes of the meetings of bodies like Academic/Executive Council, sources of income, the financial situation and any other information about its functioning, necessary for an applicant to make a fully informed choice.

4.2.1 No HEI shall insist upon a student to submit the original academic and personal certificates, like, mark-sheets, school leaving certificates and other such documents, at the time of submitting admission form, but the submission of self-attested copies thereof shall be mandatory.

4.2.2 HEIs shall physically verify the originals at the time of admission of the student in his/her presence and return them immediately after satisfying themselves about their authenticity, keeping the attested copies for their record.

4.2.3 The self-attested certificates of students shall be held valid and authentic by institution concerned and/or the affiliating university for all purposes and administrative requirements and should there be a need for physical verification at any time during the course of the programme of study, such verification shall be undertaken and the original certificates thus used for verification shall be returned immediately to the student concerned.

4.2.4 Taking the certificates into institutional custody under any circumstance or pretext is strictly prohibited.

4.2.5 In case of any suspicion over the authenticity or genuineness of a certificate, reference may be made to university or the Board which issued the certificate to the student and the admission be subjected to the authentication, but original certificate shall not be retained by the HEI under any circumstance.
