Sub: L&T Technology Services - TECHgium 7th Edition - Global Innovation Challenge.

Dear Sir/ Madam

L&T Technology Services is going to organize TECHgium 7th Edition - Global Innovation Challenge as per the below mentioned details:-

TECHgium@ provides a platform for:-

- Students to engage on real-world industry use cases and challenges to come up with solutions and taking a step towards industry readiness.
- For institutes and faculty to engage with industry challenge statements along with the students and thereby taking steps towards bridging gap between industry and academia.
- Top 3 winning teams take away prizes worth 18Lakhs.

Below is the process for TECHgium registration and participation:-

Stage1:

Step 1: Student registration

- Unique Institute Code:- PBKAPE6108000
- Students (pre-final and final year of their engineering degree) register on the portal and use the unique institute id to complete their respective registration

Step 2: Challenge Statement selection by students and concept submission

- Students view the challenge statements available on TECHgium portal. Any queries can also be submitted through the portal.
- Students submit concept note against selected challenge statement on the portal.
- Students have the option to invite faculty from their institutes as mentor who can guide them through this journey.

Shortlisted students move to Stage 2

Stage 2:

Step 3: Presentation Round

- Students work on presentation around the concept suggested by them in stage1.
- Shortlisted students are invited for a presentation to shortlisted students move to stage3.

Shortlisted students move to Stage3.

“Propelling Punjab to a prosperous Knowledge Society”
