## **Job Description**

**Designation: Patent Engineer Trainee**

**Company Name: IntellectPartners Consulting LLP ([www.intellect-partners.com](http://www.intellect-partners.com))**

**Company Location: New Delhi, India**

1) **What work we do:**

We are an intellectual property support group. Intellectual property comprises of intangible assets such as patents, copyrights, trademarks, designs and geographical indications. We assist our clients by technically evaluating the subject matters of their patents. The work we do is techno-legal in nature. Our primary objective is to understand the inventions and make it comprehensive to the attorneys, thus enabling them to safeguard the inventions legally.

We assist the attorneys by understanding the invention and:

- Helping them check their patentability
- Drafting the inventions into patent applications
- Assisting the lawyers in legally enforcing these patents
- Assessing licensing opportunities, etc.

2) **Why should you come work with us**

We lookout for talent that is eager to learn and has a flair to rapidly unlearn and learn new technologies. You will be working on wide variety of technologies and getting on the knowledge of the latest industry trends. You get exposed to the technology evolution and work with the inventors and pioneers of their field.

3) **Key Skills Required**

- Good and consistent Academic record
- Good Communication skills
- Strong Research and Analytical Skills
- Good with working in a team and coordinating with team members for optimal work product
- Proficient in MS Office (Word, Excel, Access, PowerPoint etc.)
- Well versed with English & regional language

4) **Facilities including stipend to be provided to the students**

- M. Tech - Stipend of **INR 15,000/** Month will be provided for **6 months**. Students can get confirmed as per their performance during these 6 months of internship. On confirmation, we will be paying them **5 lakhs per annum**.
