THE SCIENCE OF WOW

P.G.S.C.

(A Joint Project of Government of India and Punjab Government)

Ref.No.: PGSC/ 299   **Date: 27.08.2024**

Dear Sir,

As you are aware, the Pushpa Gujral Science City, Kapurthala (PGSC) is a premier Science communication facility with a vision to promote innovative thinking amongst students. The organization celebrates many scientific important days throughout the year to motivate students towards STEM.

PGSC is organizing "Robotics Championship" for Technical Education students (Polytechnic/Engineering) to mark the celebration of Engineer's Day on **14th September, 2024**. The event is aimed at encouraging creativity and innovativeness amongst students throughout the State. The event will help to develop their problem-solving skills, team spirit and stimulate their minds towards out-of-box thinking.

I shall be grateful if the brochure of the event could be placed on the **IKGPTU website** for wider circulation. Detailed guidelines are available at PGSC website www.pgsciencecity.org for online registration. A brochure of the event is also attached for your ready reference.

With regards,

Yours sincerely,

(Dr. Rajesh Grover)
