### **Revised Criteria: Fresher Recruitment Drive by Coditas Solutions, Pune – 2025 batch**

Greetings from VibrantMinds – An Official Hiring Partner of Coditas Solutions, Pune

#### **Company Name: Coditas Solutions LLP, Pune**

**About Company:** We are a User Experience and quality-focused digital engineering company, empowering enterprises to develop and implement cutting-edge digital business models. Our team of 900+ passionate engineers and designers fosters an engineering-driven, people-centric culture, making us a certified Great Place to Work. Over the years, we have delivered top-notch solutions to multi-billion dollar brands worldwide, including JPMC, HDFC, DMart, Symantec, and more.

With a commitment to clean coding and intuitive user experiences, we have achieved an impressive 50% YOY growth, setting a benchmark in the software service industry.

At Coditas, we are committed to nurturing talent and empowering the next generation of tech professionals. Our Engineering Internship Program is designed to equip aspiring students with hands-on experience, preparing them for real-world challenges and opportunities.

**Position: Intern** (Software Development) – for an initial 6 months and then based on performance **Associate Software Engineer**

**Experience:** Fresher

**Internship Duration:** 06 Months

**Approx. Stipend during Internship:** Upto Rs. 11,000/- Per Month.

**Approx. Package Post Internship:** Based on performance during the internship, with a potential CTC of Rs. 4,50,000 PA

**Job Location:** Pune, Maharashtra

**Job Type: Work From Office:** Compulsory, with a possibility of a hybrid model post-PPO acceptance as per company policy.

#### **Job Description:**

Code is art; hence, Coditas is seeking folks passionate about clean coding and aspiring to kickstart their careers in software development. At Coditas, you will get the opportunity to hone your skills by working on cutting-edge tech stacks under the guidance of some of the most experienced engineers in the industry

### **REVISED: Educational Criteria:**

- A **pursuing** graduation or post-graduation in **BE/BTech/ MCA** (Computer Science and Engineering (CSE)/ Information Technology (IT)/ Artificial Intelligence/ Data Science/ Machine Learning (ML)/ Cyber Security/ Internet of Things (IoT) OR Branches related to Computer Science ONLY)
- Pass out the Year **2025** Batch Only
- **Percentage:** 65 % in Graduation OR Post Graduation

### **Skills Required:**

- ❖ Excellent Communication Skills- Strong verbal and written communication skills so that you collaborate well with your team and clients
- ❖ The ability to solve problems for the job calls for tackling real-world digital problems.
- ❖ A strong work ethic with an eagerness to learn and become a rockstar coder.
- ❖ Basic knowledge of coding, because, well, you're going to be a professional software engineer!

### **Why Join Coditas?**

- ❖ **Real-World Experience:** Work on projects that prepare you for real-world challenges.
- ❖ **Learning & Growth:** Benefit from mentorship and training from industry experts.
- ❖ **Career Opportunities:** Outstanding interns may receive full-time offers based on performance.

### **Recruitment Process:**

1. **Applications Filtering:** Based on academic record (percentage/branches/pass out year), profiles will be shortlisted.
2. **Online Group Discussion 1 :** Virtual meeting on Zoom or Google Meet
3. **Online Group Discussion 2:** A group discussion is a collaborative conversation among candidates where they discuss a given topic, allowing the interviewers to assess their communication, teamwork, and problem-solving skills.
4. **Online Technical Round Level 1:** The L1 Technical Interview is an initial technical assessment focused on evaluating the candidate's fundamental knowledge and expertise in relevant technical areas for the internship role.
5. **Online Technical Round Level 2:** The L2 Technical Interview is a more in-depth technical evaluation, often conducted by senior experts, to assess the candidate's advanced skills and problem-solving abilities within the specific field of the internship.
6. **Communication round (Final HR Round and Offer):** The communication round assesses candidates' verbal communication skills. This round is crucial for determining their ability to articulate thoughts clearly and effectively
