

# Pushpa Gujral SCIENCE CITY

THE SCIENCE OF WOW

( A Joint Project of Government of India and Punjab Government)

Dr. Rajesh Grover  
Director

Ref. No.: PGSC/ 564

Date: 05/02/25

**Subject: INNO-TECH-2025-An event to promote innovation and creativity among the students of professional colleges**

Dear Sir,

As you are aware, the Pushpa Gujral Science City, Kapurthala (PGSC) is making efforts to inculcate scientific temper in the masses, as well as, promote innovative thinking amongst students and youth.

PGSC organizes "INNO-TECH", an interactive project based program, every year which is aimed at encouraging innovativeness and creativity amongst the students of Engineering Colleges, Polytechnics and Industrial Training Institutes throughout the State.

The 17<sup>th</sup> INNO-TECH is being organized at Science City on 18<sup>th</sup> & 19<sup>th</sup> March, 2025. More than 500 students from various professional colleges across the state generally participate in this event annually.

I would be grateful if a directive from your side could be sent to all Engineering colleges under your University to facilitate participation of students in this event in a big way. I am also enclosing a brochure for the event for your ready reference. I shall be grateful if the same could be placed on the IKGPTU website for wider circulation. Detailed guidelines are available at PGSC website [www.pgsciencecity.punjab.gov.in](http://www.pgsciencecity.punjab.gov.in) for online registration please.

With regards,

Yours sincerely,

  
(Dr. Rajesh Grover)

Prof. (Dr.) Susheel Mittal  
Vice Chancellor,  
IKG Punjab Technical University,  
Kapurthala

**PUSHPA GUJRAL SCIENCE CITY**

in collaboration with

**IKGPTU**
