

## **1. ABOUT I.K. GUJRAL PUNJAB TECHNICAL UNIVERSITY**

I.K. Gujral Punjab Technical University (IKGPTU) was established by an Act of State Legislature on 16th January, 1997, to promote technical, management and pharmaceutical education in the state at degree level and above. It was established as Punjab Technical University and renamed as I.K. Gujral Punjab Technical University by State Government in the honor to Late Sh. Inder Kumar Gujral, Former Prime Minister of India, in 2015. The University has the mandate to set up centres of excellence in emerging technologies and for promoting training, research and development in these areas. Through various technical and research courses, the University has contributed significantly and is still continuing with its tireless initiatives towards building the skilled human resource in the country in general and in the state in particular. With this goal in mind, the university is promoting a number of courses in different streams in regular as well as distance education programmes. At present the University has one Main Campus at Jalandhar-Kapurthala Highway in 78.16 acres area, One Campus at Hoshiarpur, One Campus at Batala, One Campus in Sri Amritsar Sahib & Two Campuses are at Mohali. University is also an affiliating body and having 147 AICTE, 140 UGC, 06 Architecture, 46 Pharmacy & 58 Engineering institutes affiliated with it. It is a State Technical University of Punjab.

IKGPTU is undertaking and supervising the instructions and awarding 105+ Bachelor's & Master's Degrees in Engineering, Pharmacy & Architecture Programmes & 70+ Bachelor's & Master's Degrees in UGC Programmes.

University started its journey with 09 Engineering & 05 Management colleges. The University has a rich strength of lakhs of students, which also includes international students from various countries.

I.K. Gujral Punjab Technical University (PTU) has bagged the much-coveted Best Technical University Award. The Award, instituted by Indian Society for Technical Education (ISTE) and Kalinga Institute of Industrial Technology (KIIT), Bhubaneswar, encourages technical universities to enhance their performance and to serve the community as well as stakeholders by improving quality and maintaining the standard of the programs offered.

Earlier, University had bagged an award in the "Best University Promoting High Quality Research at Master's and Doctoral Thesis Work" category in the CCI Technology Education Excellence Awards. This award was instituted by a Consortium of Co-Chairpersons-Industry (CCI) of Gujarat Technological University (GTU), jointly with the Communication Multimedia and Infrastructure Association of India (CMAI).

IKGPTU has also been conferred upon eINDIA Award of the Year as "ICT Enabled University of the Year" and "Open and Distance Learning Initiative of the Year Award" by the Ministry of Information and Communication Technology, Govt. of India, at Hyderabad.

IKGPTU is offering a number of welfare schemes for students like SC/ST welfare schemes, in which no fee is to be paid by the SC/ST students, and also is successfully executing the schemes of Punjab Government. It also offers various scholarship schemes like GATE Scholarship, JRF and SRF scholarships, UGC/NET Schemes and Scholarships, research grants, research and development projects etc.

With an aim to ensure the holistic development of the students, the university provides a course on Human Values & Professional Ethics for all engineering & management students.

IKGPTU provides a platform to its students through which they get acquainted with the industrial needs and prepare themselves accordingly. The university is providing them industrial training throughout the year. It has entered into collaborative partnership with business, government, and other research institutions; tie-ups with national & international industries for training and placement of students; development of finishing schools; establishment of incubation centers to promote skill development and entrepreneurship. The job fairs are organized regularly. The university also participates in different industrial fairs as well as in trade expo.

With a mission to provide excellent education to the IKGPTU students, the university has always been concerned about the training & development of its faculty. Faculty Development Programs are regularly organized wherein the resource persons from IITs, IIMs & NITs develop the faculty with updated curricula & teaching pedagogies in the respective domains.

I.K. Gujral Punjab Technical University has a wide network of Engineering, Management, Pharmacy, Hotel Management, and Architecture Colleges in the State of Punjab duly approved by All India Council of

Technical Education (AICTE) / apex regulatory bodies. Punjab has been one of the most prosperous states in India since independence by way of the Green Revolution coupled with the White revolution. To give equal momentum to the industrial growth of Punjab educated skilled workforce in sufficient numbers has always been a need of the hour. The Globalization of the Indian economy in early 90's further extrapolated the need of such a young innovative workforce.
