We shall be **recruiting recent Engineering Post Graduates** from across India, expecting the successful recruitee to join us at Sector 17-18, Gurgaon, where our engineering resources are located. The applicants should have successfully **completed their B.Tech. in ECE / EEE / CS / IT / RF Engineering with a minimum of 70% marks** in order for their applications to be considered.

They need to be confident and have excellent communication skills, both in English and Hindi, to interact with clients and colleagues. They should have a passion for sports technology, excellent problem-solving skills and the ability to keep pace in a rapidly evolving environment.

In this role, initially the interns will work with more experienced broadcast engineers. After gaining adequate experience at the base, they may **then get opportunities to work with the engineering and production teams of elite events like IPL, WPL, ISL, National Games, Khelo India Games, as well as other non-sports National & International Projects.**

The successful recruitee engineers will learn broadcast systems design, understand the working and operations of broadcast equipment deeply and may get opportunities to specialize in any particular **area like Routers, Vision, Sound, Intercom, Radio Frequency, Replay Servers, etc or develop** as generalists.

Primary Job Responsibilities include:-

- Support and assist ZOOM’s Broadcast Engineering teams.
- Assist in equipment tests, system builds, maintenance, cable making, building, preparing broadcast racks populated with specialist equipment, etc.
- Provide/support in inventORIZATION of equipment.
- Work with the Operations & Logistics team during diverse sports and non sports projects.

Required Skills include:-

- Demonstrated interest in Communications Engineering and Information Technology.
- Exceptional organizational skills and calm temperament with an ability to multi-task under pressure.
- Ability to work with minimal supervision while maintaining a sharp focus on problem solving.

Career Path Designation	Period	Duration	Monthly Compensation
Engineering Intern	Months 01 – 06	06 months	INR. 18,000 Per Month
Engineering Trainee	Months 06 – 12	06 months	INR. 25,000 Per Month
Assistant Broadcast Engineer: ABE	Post Intern & Trainee	36 – 48 months	INR. 33,000 Per Month
Broadcast Engineer: BE	Post 4 years as ABE	36 – 48 months	As per Industry Standards
Senior Broadcast Engineer: SBE	Post 4 years as BE	36 – 48 months	As per Industry Standards
Engineering Manager	Post 4 years as SBE	36 – 48 months	As per Industry Standards
