Sir/ Madam,

IKG PTU is working to improve the employability of students and has recognised assessment and analysis as a solution to make students more industry ready. To facilitate assessment and analysis for the students, IKG PTU is exploring partnership with different stakeholders and has identified AON as a potential partner. The Assessment and Analysis Program being offered by AON for University Students of all the streams.

A brief about the Assessment and Analysis Program is as below:

- All placement related sections i.e. Quantitative, Analytical Reasoning, English Usage, Branch-specific Technical, Coding, Written Communications, Computer Fundamentals, and Psychometric will be covered.
- CoCubes Tests help the students understand their job readiness and job fitment. It provides a detailed analysis report.
- Deeper Analysis – Pin-pointing to understand the improvement areas across tests, branch wise, student wise
- Understand the benchmark of the institute with respect to national average, industry average and top college performance.

Aon's Assessment Solutions is a world leader in the design and implementation of innovative online tests, questionnaires and gamified assessments for recruitment, selection and development, delivering 30 million assessments each year in 90 countries and 40 languages.

AON has been working with over 400 corporates like Cognizant, Capgemini, Accenture, JP Morgan, Wipro and many more. Their network will be beneficial for us as our students will be recognised directly by the companies and they will allow to participate in their placement drives.

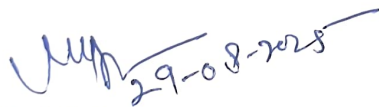

In addition of above, Centre of Training and Placement wish to conduct their interactive session with our students on same day at Sri Guru Nanak Dev Ji Auditorium of University from 03-05 PM on Sept 03, 2025, regarding benefits of collaboration and how students may get benefited using AON assessment.

It is for your kind information that as per letter No. IKGPTU/DR/MC/870 dated 16.08.2022 schedule for mentoring and Professional Development activities, **Wednesday of first week of September month is falling on September 03, 2025 to plan activities for all engineering disciplines.**

So there will be no academic loss of students while attending the session however it is mandatory for the students to attend the same.

Students of other streams may also join the event as this collaboration will be helpful students of all the streams.
