**Subject:** Invitation to Participate in the *Intellectual Property & Technology Transfer Workshop* – September 26, 2025

Dear Sir/Madam,

Greetings from I.K. Gujral Punjab Technical University!

We are delighted to inform you that the MIC-AICTE Indovation Centre, in collaboration with I.K. Gujral Punjab Technical University, is organizing an *Intellectual Property & Technology Transfer Workshop* on **Friday, 26th September 2025** from **10:00 am to 1:30 pm** at the *Sri Guru Nanak Dev Ji Auditorium, I.K. Gujral Punjab Technical University, Main Campus, Kapurthala, Punjab*. This workshop is aimed at deepening the understanding of Intellectual Property Rights (IPR) and Technology Transfer (TT) through interactive and knowledge-sharing sessions.

The workshop will also feature a dedicated segment for *Technology Presentation and Demonstration*. Institutions are encouraged to showcase their technologies, prototypes, or models that have achieved at least **Technology Readiness Level (TRL) 4 or above**, signifying successful validation in a laboratory or beyond. The MIC-AICTE Indovation Centre will facilitate *Technology Transfer and Investor Connect* opportunities for shortlisted technologies.

Considering the above, we kindly request each College/Institute to nominate **two representatives** to participate in the workshop. Ideally, the **Convener or President of the Institution's Innovation Council (IIC)** may be nominated. In case they are not available, any official actively engaged in Intellectual Property, Technology Transfer, Incubation, Innovation, or Entrepreneurship-related activities may be deputed. Furthermore, **researchers, inventors, and startups** interested in presenting their technologies are also invited to participate.

Participation in the workshop is **free of cost but subject to mandatory registration** through the attached Registration Form. Registered participants will be awarded **E-Certificates** upon completion of the program.

We request you to kindly circulate the attached program flyer among your faculty members, researchers, and students, and encourage wide participation from your institution. We are confident that this workshop will provide valuable insights and opportunities for collaboration in the field of innovation, technology commercialization, and entrepreneurship.

With warm regards,

-F.   
09/09/25

Dr Mrigender Singh Bedi

Assistant Director "Propelling Punjab to a prosperous Knowledge Society"

Technology ID: (For office use only)

Title of the Invention

Name of the Inventor/s  
& Name of the Institute

Field / Domain of the  
Invention

What problem are you  
solving?

Describe how the problem  
is currently being solved?

What is the proposed  
solution?

Technology ID: (For office use only)

Novelty / Unique Value Proposition of the solution

Current Status of the Invention

Is the invention IP protected / Filed (Mention Yes/No)

What is your plan for commercialization (Licensing / Startup)

Assistance required from AICTE Indovation Centre

Provide one or two photograph of the product/Invention

Insert the link for photograph / video of the actual prototype

Paste  
Photographs  
here in place  
of this box

## ANNEXURE 1

### TRL Definitions

TRL3: Proof of concept Developed

TRL4: Technology validated in lab

TRL5: Technology validated in a relevant environment

TRL6: Technology demonstrated in a relevant environment

TRL7: Technology demonstrated in the actual environment

TRL8: Pre-commercialization/Pilot stage/ Scaleup proven

TRL9: Commercialization/Market ready
