Greetings from VibrantMinds – An Official Hiring Partner of Coditas Solutions, Pune

Company Name: Coditas Solutions LLP, Pune

About Company:

We are a User Experience and quality-focused digital engineering company, empowering enterprises to develop and implement cutting-edge digital business models. Our team of 900+ passionate engineers and designers fosters an engineering-driven, people-centric culture, making us a certified Great Place to Work. Over the years, we have delivered top-notch solutions to multi-billion-dollar brands worldwide, including JPMC, HDFC, DMart, Symantec, and more.

With a commitment to clean coding and intuitive user experiences, we have achieved an impressive 50% YOY growth, setting a benchmark in the software service industry.

At Coditas, we are committed to nurturing talent and empowering the next generation of tech professionals. Our Engineering Internship Program is designed to equip aspiring students with hands-on experience, preparing them for real-world challenges and opportunities.

Position: Intern (Software Development)

Experience: Fresher

Internship Duration: 06 Months

Approx. Stipend during Internship: Upto Rs. 11,000/- Per Month.

Approx. Package Post Internship: Based on performance during the internship, with a potential CTC of Rs. 4,50,000 PA

Job Location: Pune

Job Type: Work from Office: Compulsory, with a possibility of a hybrid model post- PPO acceptance as per company policy.

Educational Criteria:

- **Education:** BE/BTech/BCA/BSC/BCS/ME/MTech/ MCA (Computer Science and Engineering (CSE)/ Information Technology (IT)/ Artificial Intelligence (AI)/ Data Science (DS)/ Machine Learning (ML)/ Cyber Security (CS)/ Internet of Things (IoT) OR Branches related to Computer Science ONLY)
- **Batch:** Pass out Year 2026 Batch Only
- **Percentage:** 65 % in Graduation OR Post Graduation

Job Description:

Code is art; hence, Coditas is seeking folks passionate about clean coding and aspiring to kick start their careers in software development. At Coditas, you will get the opportunity to hone your skills by working on cutting-edge tech stacks under the guidance of some of the most experienced engineers in the industry

Role & Responsibility:

- ❖ Participate in a structured training program focused on technical tracks.
- ❖ Participate in workshops, seminars, and interactive sessions designed to enhance technical skills and promote creative thinking.
- ❖ Write, test, and maintain code that adheres to high-quality standards and follows best practices for scalability, performance, and maintainability.

Skills Required:

- ❖ Excellent Communication Skills- Strong verbal and written communication skills so that you collaborate well with your team and clients
- ❖ The ability to solve problems for the job calls for tackling real-world digital problems.
- ❖ A strong work ethic with an eagerness to learn and become a rock star coder.
- ❖ Basic knowledge of coding, because, well, you're going to be a professional software engineer!

Recruitment Process:

1. **Applications Filtering:** Based on academic record (percentage/branches/pass out year), profiles will be shortlisted.
2. **Online Group Discussion 1 by VibrantMinds Team:** Virtual meeting on Zoom or Google Meet
3. **Online Group Discussion 2 by Coditas Team:** A group discussion is a collaborative conversation among candidates where they discuss a given topic, allowing the interviewers to assess their communication, teamwork, and problem-solving skills.
4. **Online Technical Round Level 1:** The L1 Technical Interview is an initial technical assessment focused on evaluating the candidate's fundamental knowledge and expertise in relevant technical areas for the internship role.
5. **Online Technical Round Level 2:** The L2 Technical Interview is a more in-depth technical evaluation, often conducted by senior experts, to assess the candidate's advanced skills and problem-solving abilities within the specific field of the internship.

- 6. Communication round (Final HR Round and Offer):** The communication round assesses candidates' verbal communication skills.

Important Note:

This internship program is designed to provide an invaluable experience for professional growth. While full-time placement is not guaranteed, Coditas may offer outstanding performers a full-time position with a package of 4.5 LPA. This offer is subject to the management's decision and the candidate's performance during the internship
