- Work in various customer specific systems to produce a cost-effective engineered design for construction to place, splice, install and maintain for many years to come.
- Identify assigned fiber/copper pairs at a strategic access points and design a path through aerial and underground facilities.
- Possible design in the underground environment such as manholes, handholes, and pedestals to place fiber cable through conduit and various access points.
- Engineer in the public right of way and on private property for the prevention of conflict with existing facilities.

### **REQUIRED SKILLS AND QUALIFICATIONS**

- Diploma or B. Tech in Electronic, Electrical, Mechanical, & Civil Engineering.
- It will be an additional advantage if having certification on AutoCAD.
- Highly organized, self-starter, and detail oriented.
- Excellent verbal and written interpersonal communication skills.
- Superior time management.
- Strong attention to detail.
- Ability to be flexible, take direction with ease, including changes to schedule and workflow priorities.
- Critical thinking skills: make assessments and provide solutions to problems.
- Ability to maintain professional tact in a fast-paced work environment with internal personnel and clients.

**TRAVEL**

- May be required at times for training purposes, or for company and/or client meetings.

**JOB LOCATION**

- Congruex Mohali, Punjab

**Compensation and Benefits**

- As per the best market standards

***All requirements are subject to possible modification to reasonably accommodate individuals with disabilities.***

***This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees will be required to follow any other job-related instructions and to perform other job-related duties requested by their supervisor.***

***Requirements are representative of minimum levels of knowledge, skills, and/or abilities. To perform this job successfully, the incumbent will possess the abilities or aptitudes to perform each duty proficiently.***

***This document does not create an employment contract, implied or otherwise, other than an "at-will" employment relationship.***
