IKG PTU is working hard regarding job opportunities for the students. We are happy to share with you that a dedicated placement portal has been developed by Center for Training & Placement. Namely **placements.ptu.ac.in** and its web app has also been developed.

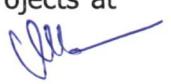

**There are several benefits of this portal.**

1. Student will get register themselves at the portal for the placement drives with just a click button.
2. The students will need not to fill the Google form for every placement drive.
3. Students will get notification from time to time at their login page & email ID as & when there will be any placement Drive.

**Students from all the years & all the batches are required to register themselves at the portal by using the link [placements.ptu.ac.in](http://placements.ptu.ac.in).**

**The steps for registration are as below:**

- Home page Register (with Email->OTP) -> login,
- If login then go to Placement Drives or Explore Placement Drives
- Complete profile Account->My Profile,
- Profile Complete->Bio->Academic Profile->Address, Resume, Technical Skills, Academic History, Work Experience, Projects etc.

Registration at portal will help students to explore the placement-related opportunities during the course and after passing out as well. To cater this, students are required to fill up their Campus, Course, Department, Year (means passing out year), percentage/ CGPA of 10, +2 & Diploma (If any) and B.Tech or pursuing course, resumes, internship and projects at portal. *“Propelling Punjab to a prosperous Knowledge Society”*
