Sub: POD Expert Talk: "The Startup 'Grind' vs. Corporate 'Process': Which Environment Suits Your Personality?"

Respected Sir/Madam

I K Gujral Punjab Technical University invite students of its campuses & affiliated colleges to participate in POD Expert Talk: "The Startup 'Grind' vs. Corporate 'Process': Which Environment Suits Your Personality?"

The session will be led by **Anjan Das, Vice President – Human Resources at Pristyn Care**, an experienced **HR leader** with over 14 years of expertise in talent strategy, organizational development, and leadership transformation across high-growth organizations.

The session details are as below:-

Topic : The Startup "Grind" vs. Corporate "Process": Which Environment Suits Your Personality?
Mode : Virtual / Online
Date : 03-July-26 (Friday)
Time : 5:00 pm – 6:00 pm IST

Certificate of Participation will be provided to all attendees who join the full session.

For more details & registration students may register at the link mentioned below:-

<https://events.pod.ai/pages/webinar/the-startup-grind-vs-corporate-process-which-environment-suits-your-personality>

Why Attend?

Choosing between a startup and a corporate career is one of the most important decisions students make as they begin their professional journey. While startups offer speed, innovation, and ownership, corporate organizations provide structure, scale, and established growth pathways.

In this session, Anjan will help students understand the realities of both environments, the opportunities and challenges they present, and how to identify the workplace that best aligns with their personality, strengths, and career aspirations.

"Propelling Punjab to a prosperous Knowledge Society"

I.K. Gujral Punjab Technical University

Jalandhar-Kapurthala Highway, Kapurthala -144 603. (M) : 94780-98136

E-mail : placements@ptu.ac.in **Website :** www.ptu.ac.in

Key Takeaways:

- Understanding the core differences between startup and corporate work cultures
- Identifying which work environment aligns with your personality and career goals
- Evaluating growth opportunities, learning experiences, and career progression in each setting
- The realities of ownership, accountability, and decision-making across organizations
- Building the skills and mindset needed to succeed in either environment.

Who Should Attend?

- Undergraduate and postgraduate students
- Students preparing for internships and placements
- MBA and management aspirants
- Early-career professionals and aspiring entrepreneurs.

You are requested to kindly direct the Training & Placement Officer/ Faculty Coordinator of your campus/ college to share the information with the concerned students.

With profound regards,

Er. Mohit Jain
Assistant Registrar (CR&A)
