About us:

Join the Global Leaders in Operational Excellence

Kaizen Institute South Asia is a Business Unit of Kaizen Institute, Ltd representing Kaizen Institute in India, Sri Lanka, Myanmar, Vietnam, Cambodia, Indonesia, and Bangladesh. Kaizen Institute is a global organization which provides management consulting and training services to companies represented in Europe, the Americas, Asia-Pacific, the Middle East, and Africa. Kaizen Institute has pioneered, innovated, and led the Operational Excellence consultancy domain for more than 3 decades.

Kaizen Institute supports companies of all sizes and sectors including private and public services. We are dedicated to helping organizations realize their Continuous Improvement Strategies.

We operate in 60+ countries, with the best coverage and deepest expertise in KAIZEN™ and Lean Management.

We deliver sustainable results by partnering with clients to transfer knowledge, wisdom, and skills to ensure long-term success. Our goal is to help clients:

- Achieve competitive and operational superiority in their chosen markets
- Respond to strategic challenges by using people as the primary change resource
- Become expert and autonomous in the management of their improvement strategies
- Create repeatability, capability, sustainability, and self-reliance. Our focus is on the fields of KAIZEN™ enterprise development, organizational culture change, and people development

Kaizen Institute East and West Africa is a Business Unit of Kaizen Institute, Ltd representing Kaizen Institute in Kenya, Uganda, Tanzania, Rwanda, Ethiopia, DRC, Congo, Mauritius, Cameroon, Angola, Nigeria, Ghana, Liberia, Côte D'Ivoire and Sierra Leone. Kaizen Institute is a global organization which provides management consulting and training services to companies represented in Europe, the Americas, Asia-Pacific, the Middle East, and Africa. Kaizen Institute has pioneered, innovated, and led the Operational Excellence consultancy domain for more than 3 decades. Kaizen Institute supports companies of all sizes and sectors including private and public services. We are dedicated to helping organizations realize their Continuous Improvement Strategies. We operate in 50+ countries, with the best coverage and deepest expertise in KAIZEN™ and Lean Management. We deliver sustainable results by partnering with clients to transfer knowledge, wisdom, and skills to ensure long-term success.

About the role:

We are looking out for dynamic freshers in R&KD (Research and Knowledge Development) Team and Consulting role.

Candidates having 1-2 years of experience in operational excellence will be an added advantage and preferred.

Responsibilities:

Prepare oneself to be a consultant and be ready to deliver Consulting assignments.

- Implementing KAIZEN™ & Lean implementation projects at Client sites ensuring strong outcomes aligned with operational excellence objectives
- Bringing in the promised change through process improvements and delivering agreed results as per the contract and helping clients to achieve competitive advantage in its industry
- Ensure timely and quality delivery of consulting assignments with strong stakeholder engagement
- Achieving 100% score on discipline in R&KD initiatives
- Support ongoing development and excellence of the **R&KD (Research and Knowledge Development) Team**
- Use tools like **Value Stream Mapping, Five 'S', Standard Work, SMED, TPM, Visual Management, Poka Yoke, Six Sigma and Problem Solving (A3/ PDCA)** to implement real change
- Partner with client teams to identify improvement opportunities, design innovative solutions and build internal capabilities
- Contribute to create and sustaining a culture of continual improvement at client organizations

Skills:

- Power point Presentation skills
- Strong Analytical skills
- Excellent problem solving and public speaking skills.
- Programming language: Python, SQL, RPA (is a plus)
- Statistical tools: Minitab, Advance Excel, Power BI, Tableau

Education:

- Strong knowledge of Lean tools and techniques (**VSM, Five 'S', Root Cause Analysis, Visual Management, OEE, Poka Yoke** etc)
- Btech Mechanical/ Industrial/ Production Engineering + M. Tech in Industrial/ Production Engineering or **MBA in Operations (major and only as a single specialization)**. Students from **MBA Operations background should have done their UG in Mechanical or Industrial Engineering only**

Recruitment Process:

1. If there are more than 4 students who have shown the interest, GD round shall be planned, post resume shortlisting. If less than 3 students, psychometric profiling will be done
2. Based on the GD round, shortlisted students will undergo a psychometric personality assessment (online)
3. Based on psychometric assessment report, shortlisted students will undergo a proctored AI interview via link which will be online
4. Based on the AI interview outcome, shortlisted students will undergo a technical interview which will be online (MS Teams)
5. Candidates shortlisted in technical interview, will undergo HR interview which will be online (MS Teams)
6. Candidates who get shortlisted in HR interview, will undergo tests (Excel, Research, English, Technical & OEE online)
7. Candidates will undergo power point presentation round (MS Teams) where few of our internal consultants will be evaluating the presentation skills and delivery
8. Based on all the above assessments, shortlisted candidates will be invited to Pune office for final interview with our Managing Director

Why Join Kaizen Institute?
