Dear *Mission Director,*

The IndiaSkills Competition (ISC), organised by the Ministry of Skill Development and Entrepreneurship (MSDE), is India's flagship initiative for promoting excellence in vocational skills and identifying talented youth across diverse sectors of the economy. The Competition provides a national platform for showcasing talent, fostering a culture of excellence, and inspiring young people to pursue skill-based careers aligned with industry and societal needs.

2. I am pleased to announce the launch of **IndiaSkills Competition 2026-27**, with registrations now open on the Skill India Digital Hub (SIDH) across a wide range of skills covering both traditional and emerging domains. The list of skills with eligibility criteria is enclosed at Annexure-I.

3. I would like to sincerely acknowledge the support extended by the State Skill Development Missions (SSDMs) during ISC 2025-26. Your efforts in outreach, mobilisation and coordination enabled talented youth from the State to participate in the Competition and contributed significantly to the success of the national skilling ecosystem.

4. As we commence the next edition, I request your continued support in ensuring that ISC 2026-27 reaches a larger number of aspiring youth and institutions across the State. I would be grateful if suitable measures could be taken for:

- Dissemination of information regarding ISC 2026-27 and its registration process through SSDM networks and affiliated institutions;
- Mobilising maximum registrations from eligible students, trainees, and apprentices across districts;
- Identifying and mentoring promising candidates for participation in diverse skill competitions;
- Promoting participation across a larger number of skill categories aligned with state priorities and strengths;
- Organising awareness sessions, orientation programmes, and outreach activities in collaboration with schools, colleges, universities, ITIs, polytechnics, and training centres; and
- Ensuring inclusive participation of women and students from rural, aspirational, and underserved regions.

5. I am confident that SSDMs will play a leading role in strengthening the reach and impact of IndiaSkills Competition 2026-27. Your support will help create greater awareness about skills excellence and provide talented youth with a platform to demonstrate their capabilities at the national level.

With warm regards,

Yours sincerely

(Manisha Sensarma)
