Respected Sir/Madam

I K Gujral Punjab Technical University invite students of its campuses & affiliated colleges to participate in **Expert Talk: "Banking Meets AI: Career Skills for the Next Generation."**

The session will be led by **Rana Vikram Anand, Independent Director, Strategic Advisor, and former Head of Customer Management at IndusInd Bank**, with over **34 years** of leadership experience across **banking, financial services, fintech, digital transformation, governance, and customer experience**. Having held senior leadership roles across organizations including **RBL Bank, ABN AMRO Bank, ANZ Grindlays, and fintech companies**, Rana brings valuable real-world insights into how technology and AI are reshaping the financial services industry and the skills future professionals need to succeed.

The session will be particularly valuable for students from **Engineering, Computer Science, Information Technology, Commerce, Finance, Business Management, Economics, Data Science, AI/ML**, and related disciplines, as well as students interested in exploring careers in **banking, fintech, technology, and business**.

The session details are as below:-

Topic	:	Banking Meets AI: Career Skills for the Next Generation
Mode	:	Virtual / Online
Date	:	Wednesday, 19th August 2026
Time	:	6:00 PM - 7:00 PM IST

Why Attend ?

Artificial Intelligence is transforming banking and financial services at an unprecedented pace. From digital lending and customer experience to risk management and decision-making, AI is creating new opportunities while changing the skills expected from tomorrow's professionals.

This session will help students understand how AI is reshaping the banking industry, explore emerging career opportunities, and identify the technical, analytical, and human skills they need to build a future-ready career.
