Sub: L&T Technology Services | TECHgium 10th Edition.

Respected Sir/ Madam

L&T Technology Services' flagship open innovation competition, now open for registrations. Over the past decade, TECHgium® has served as a platform for engineering students to bridge the gap between academia and industry by solving real-world challenges and transforming innovative ideas into impactful solutions.

TECHgium® invites 2nd Year and above UG Engineering Students, and PG Engineering Students of all years to solve industry-defined problem statements across domains such as Artificial Intelligence, Cyber Security, Digital Platforms, Manufacturing, Mobility, Energy, Sustainability, MedTech, and more.

Why participate in TECHgium®?

- **Tackle real-world challenges:** Apply academic knowledge to solve industry problems.
- **Attractive rewards:** Win cash prizes up to ₹18 lakhs.
- **Gain industry exposure:** Work on projects aligned with current trends.
- **Certification:** Stage 2 presenters receive a certificate of participation.
- **Mentorship:** Receive guidance from LTTS industry experts.
- **Networking:** Connect with professionals and peers.
- **Career opportunities:** Eligible participants in the PoC round may qualify for LTTS' Pre-Placement Process based on requirements.
- **Career opportunities:** Eligible participants in the PoC round may qualify for LTTS' Pre-Placement Process.

Below is the process for TECHgium registration and participation:-

- **Unique Institute Code:-** PUNKAPO9417502
- Students (pre-final and final year of their engineering degree) register on the portal and use the unique institute id to complete their respective registration.

"Propelling Punjab to a prosperous Knowledge Society"
