Sub: Infosys Springboard Student Enablement Program (SEP) on Cyber Security.

Respected Sir/Madam

Infosys is going to organize **Student Enablement Program (SEP) on Cyber Security**. This virtual program is designed to equip students with foundational knowledge and practical insights into key cyber security concepts and industry practices. This session will help students build a strong foundation in cyber security and industry-relevant practices as per details mentioned below:

Topic	:	Cyber Security
Dates	:	October 07 to 09, 2026
Time	:	4:00 PM to 6:00 PM
Courses	:	All UG/PG courses
Batches	:	All batches
Mode	:	Virtual (on Webex platform)
Last date of registration	:	05-Oct-2026

Students will gain insights into:

- OWASP Top 10 security risks, Principles of Cryptography, Encryption, Digital Signatures and IT Service Management (ITSM) and the ITIL Framework.
- The program will help students develop a strong foundation in cybersecurity concepts and understand the importance of securing digital systems and information in today's technology-driven world.

This Student Enablement Program will provide participants with a comprehensive introduction to the field of Cyber Security, covering foundational concepts of Information Security, Web Application Security, and Cyber Risks, Threats, and Vulnerabilities.

Interested students may register at the link mentioned below:-
